

**Safety and Security**

Following the events last weekend we all need to be aware of safety and security around the school.

Please help us keep the children safe by remembering:

- Gate opening times: 8.45 – 9.10am and 3.25 – 3.45pm
- Closing the black door on Tower Bridge Road should you use this gate
- Informing us in advance if someone new is collecting your child
- Do not use mobile phones in school

Thank you in advance for your continuing support.

# Support new Secondary School for SE1

Dear Neighbour

Thank you for your continued interest in the planning application for the Old Southwark Fire Station development on Southwark Bridge Road. So far there have been over 100 letters of support for the application on Southwark Council's website. This is a fantastic response from the local community and we are very grateful for parents' support of the delivery of the new school.

We still need your help to ensure that the plans are approved by showing the planning committee that there is strong local support for the new school. It is only with your help that we will be able to deliver the school ready to open for pupils in 2019.

**We are at a critical stage in the planning process, and your support for the planning application is absolutely crucial. If you have not already done so, the best way to support the planning application is to visit the application portal by at Southwark Council's website [www.southwark.gov.uk](http://www.southwark.gov.uk) with the application reference 17/AP/0367.**

If you have any questions or would like any further information on our proposals, please do not hesitate to visit [www.oldsouthwarkfirestation.co.uk](http://www.oldsouthwarkfirestation.co.uk) or contact us on 020 7871 3565 or [consultation@cascadepr.co.uk](mailto:consultation@cascadepr.co.uk).

Thank you for your continued support

Below is a summary of the plans to inform your comments:

- Provision of a new 900 student secondary school and 250 student sixth form college to meet the increasing demand for school places in the local area.
- 199 much needed high quality new homes in the restored Fire station buildings and a new residential development on the boundary with Sawyer Street.
- Preservation of the site's historic listed features while bringing the site back into active use.
- New commercial and community space on Southwark Bridge Road.
- New landscaping and public realm to improve the appearance of the site.
- Construction of a new sports hall which will be accessible for school pupils and the wider local community.
