

**E-Safety**

In the past, we have sent out information about NSPCC's Net Aware that provides guidance to parents on social networking sites, apps and games which children use and how to keep their children safe in today's digital world. It can be accessed via <https://www.net-aware.org.uk/>.

Given that many such new sites constantly appear, this website can be quite useful to stay up to date and keep children safe.

If you are concerned about e-safety, please speak to Laura or your child's teacher.
