

P.E Kits

P.E is a vital part of the school curriculum which we value immensely. P.E kits play an important role in teaching children lessons in hygiene and appropriate clothing for the activities they need to take part in. Please help lessons go smoothly by ensuring your child brings in a P.E kit each Monday for the lessons that week.

Thank you for supporting us

Term dates for 2016 - 2017

Autumn Term

Monday 5th September – Friday 21st October 2016 – (School closes at 3.30pm)

Monday 24th October – Friday 28th October 2016 – Half Term

Monday 31st October – Friday 16th December 2016 – **(School closes at 1pm)**

Spring Term

Wednesday 4th January – Friday 10th February 2017 – (School closes at 3.30pm)

Monday 13th February – Friday 17th February 2017 – Half Term

Monday 20th February – Friday 31st March 2017 - **(School closes at 1pm)**

Summer Term

Wednesday 19th April – Friday 26th May 2017 – (School closes at 3.30pm)

Monday 29th May – Friday 2nd June 2017 – Half Term

Monday 5th June – Friday 21st July 2017 – **(School closes 1pm)**

INSET DAYS - SCHOOL CLOSED

Thursday 1st September

Friday 2nd September

Tuesday 3rd January

Tuesday 18th April

Home Learning – Going for Gold!

This year we have had more and more children receiving gold Mathletics certificates. To receive gold, children need to score 1,000 points or more every week for 20 consecutive weeks. At the end of this term we will celebrate all the children this academic year who have shown resilience and determination by achieving their Mathletics gold certificate.

Parent Workshops

Date	Focus	Audience	Time	Where?
23/05/17	Thinking about thinking	All parents	9.00am	Large Meeting Room

07/06/17	Writing	All parents	9.00am	Large Meeting Room
14/06/17	Garden School	Nursery	9.00am	Snowsfields Garden
14/06/17	Science	Y1 – Y6	9.00am	Large Meeting Room
21/06/17	Lego - WeDo	Y1 – Y6	9.00am	Large Meeting Room

Important Dates

Monday 12th June – Year 1 Phonics Check

Thursday 29th June – Year 6 Show

3rd – 7th July – Health Week

Tuesday 4th – Wednesday 5th July – Year 5 School Journey

Friday 7th July – Race for Life

Monday 10th July – Autism Awareness Day

Wednesday 12th – Friday 14th July – Year 6 School Journey

Attendance

Week beginning: 8th May: **94.8%**

Class	Number of absences	Number of lates	Points
Year 1	4	10	50
Year 2	16	11	200
Year 3	15	5	50
Year 4	3	5	175
Year 5	2	1	425
Year 6	2	2	525

1st = 75 points (100 points for 0)

2nd = 50 points

3rd = 25 points

You can win points for your class by being in school every day and getting here on time.

We received a certificate in assembly!

A Wonderful Thyme

Last week some of the Year 5 pupils were invited to the Snowsfields School garden to help plant herbs in the newly developed herb garden.

Today we went to Snowsfields so that we could garden. When we arrived there, we split up into groups of two. The first group planted sage and the second group that I was in, we were planting mint. When we finished planting we joined with the other groups and we all planted broad beans. After we finished, the other group watered the plants, while the group I was with took a photo with the volunteers. Then we said thank you. Leroy

Today's trip was really fun and exciting! We went to Snowsfields to do some gardening! We planted some sage, mint and broad beans. We each got some gloves for our hands. When we were ready they gave us each some hand forks and trowels. We got into groups of four and my group planted sage. The other group did mint. Then all of us did the broad beans. We watered the crops and got ready to go. Aya

Today we went to Snowsfields in order to help with the Snowsfields' garden. We split up into two groups. The group I was in planted mint. The other group planted sage. After we finished, we planted broad beans. The other group was watering the plants, while we took a picture with the volunteers from Costain. Emmanuel

Today 8 children from Year 5 went on a thrilling trip to Snowsfields to do gardening with Costain. When we entered the secret garden we explored it. We were given hand forks and trowels to dig the soil. We planted sage plants, mint plants and broad beans. This adventurous trip was amazing. Thank you very much! Alexis

Today we went to Snowsfields. We did gardening in groups of four and planted sage which was really fun. The other group planted mint and sage which smelt nice for me. Some adult gardeners took some photos of us in a group smiling. My favourite part was when I planted the sage with my partner Denis. Zaid

We went on an exciting trip and travelled to Snowsfields to explore some gardening. We spotted two frogs emerging from the pond as we walked around the surrounding nature garden. A little while later, we started planting the sage, mint and broad beans. This is where it got messy! We loved all the greenery we had planted. In the end, we thanked the gardeners for helping us all the way. Afterwards, we had to wash our hands and leave the area. I had fun! Athena

Last Friday we went to Snowsfields to do some gardening. First we got some tools, which were trowels and a hand fork, and next we went to the mint plant. It smelled awesome. Secondly we dug a hole with our tools and put the plant in the hole. After that, we all gathered up and put some tall twigs into the soil and cut them with some giant scissors. Finally we made a hole with our fingers and planted the broad beans. Alma

TeamLondonBridge

8 people went to Snowsfields and got to garden. Denis and Zaid enjoyed gardening plants and watering them. In groups of 4, the first plant we planted was called a sage. The other group planted mint. Afterwards we planted broad beans next to a stick and then watered the broad bean and the sage. In the beginning, we played hide-and-seek and took lots of photos. Denis
