E-Safety Tips

You may have noticed above that we will shortly be running a parent workshop around e-safety. This will include support from our IT Technician Steve who can advise you on how to set your internet settings so that upsetting and inappropriate content are not shown on your devices. We teach the children to always tell an adult if something like this happens.

We recommend the following websites for further support for parents on e-safety and children using the internet.

www.thinkuknow.co.uk/parents/

www.nspcc.org.uk

Please remember that social media sites such as Facebook, Snapchat, Music.ly and Instagram should only be used from age 13, with adult supervision.

We received a certificate in assembly!

Year 6 Assembly

Last Friday Year 6 treated us to a lovely assembly.

We based our assembly on our learning about World War Two. We used the book "Otto" which we read last term and we performed our own version including facts about Winston Churchill and Adolf Hitler, and what was happening in Germany at that time. We really enjoyed it as we love the story and we got to be soldiers - everyone had to do something. Thank you to all the parents who were able to come.

EFL Football Tournament

On Wednesday we were chosen to participate in the EFL Cup for Kids. The EFL is the English Football League. We were playing 5 a side and we had to take part in 4 matches. There were 2 different group and altogether 12 teams. The first match we drew 1-1, the next match we lost 3-0. The third match we lost again with a 6-0 score. The last match we lost 1-0. If you lost, you got 1 point. If you drew you got 2 points. And if you won a match you got 4 points. Overall, in our group we came third. We would like to thank Ben for training us and James and Kem for taking us out. Next time we are going to win.
