

Welcome Back.

Happy New Year! It was good to see all the children and parents return this week. Most of you have had a nice break and the children have returned ready to continue their fantastic learning.

The children have adapted well to the new start of the day and we have found it is much more calm and relaxed.

Over the next 2 terms we will be running an exciting new project called "Be the Best You Can Be". We will be launching the programme in a Special Assembly on Friday 15th January and will be visited by Tim Prendergast, a Paralympic Gold Medallist, who will be speaking to the older children in a special Assembly and visiting all classes.

We will run a special parent workshop to explain more about the project soon after.
