

PE AND SPORT PREMIUM PLAN

Funding for 2017-18 –Tower Bridge

Total number of eligible pupils on roll	164
Total amount of premium	£16000 + £1,640 TOTAL: £17,640

PE and Sport Priorities for 2017-18

Conditions of grant: The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Our School Priorities (linked to our School Improvement Plan and Healthy Schools Award):

1. Increase participation in competitive sports events
2. Improve the quality of PE teaching
3. Increase access and uptake of physical activity across the school to improve health and wellbeing

Review:

This plan will be evaluated termly by the Healthy Schools Leader working alongside the Leadership Team. The evaluated plan will be published each academic year. Evaluation will be through measuring participation, cpd evaluations, interviews with pupils and sports leaders, questionnaires with parents, staff and pupils.

Identified Priority	Actions	Planned Cost
<p>increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>broader experience of a range of sports and activities offered to all pupils</p> <p>increased participation in competitive sport</p> <p>the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles</p>	<p>Participation in the LPESSN</p> <p>CPD for staff including:</p> <ul style="list-style-type: none"> • bespoke 1-1 sessions with staff- team teaching and feedback • CPD sessions for NQTs • Termly support sessions for PE leader <p>Broader experiences for pupils including:</p> <ul style="list-style-type: none"> • Playmaker sessions for sports leaders • Special events such as 'women in sport week' • SEN sport festival • G&T identification package <p>Competitions including:</p> <ul style="list-style-type: none"> • Cross country running • Tournaments • KS1 experiences • Leagues <p>Healthy Eating Workshops</p>	<p>Cost of LPESSN: £2,640</p> <p>Supply cover for PE leader (6 half days): £744</p> <p>NQT training (4 full days) : £700</p> <p>Bespoke sessions (10 half days): £875</p> <p>Additional adult costs to take children to sports tournaments: Approximately 12 events over the year with 2 adults to take the children: £2,400</p> <p>Additional adult to support workshops: (2 half days) £248</p>
<p>the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles</p>	<p>Wide range of After School Clubs on offer each term:</p> <p>Including :Dance, Keep Fit, Football Club (Autumn 17)</p> <p>With further clubs to be planned over the year based on children's needs and interests to maximize take up.</p>	<p>Cost of Adults to run after school clubs: £17.50 per session per adult for 32 weeks: £4,480</p>

broader experience of a range of sports and activities offered to all pupils	<p>Provision of swimming for an additional two terms in Year 4</p>	<p>Cost of swimming pool and instructor: £3,120</p>
Total Cost		£17,951

Evaluation and Review- July 2018

The school was awarded the Healthy Schools Award GOLD in July 2017. The school has continued to build on this and PE and Sport have remained High Profile within the school.

1. Increase participation in competitive sports events

15 events were entered this year- an increase on the previous year. Most events were whole class events such as Y3 football, Year 4 Benchball and the Virtual Athletics competition. This meant that more children could take part.

There were more events for KS1 this year, including scatterball. KS1 won the Virtual Athletics competition, which was our first success in a competitive event.

Although not competitive, groups of children attend the SEN festival of sport in October and June. This is alongside other pupils from other schools with SEN. Feedback from the children: AA: "I went on a trampoline and I really liked it because I can jump really high. I did tennis and I learned about batting."

2. Improve the quality of PE teaching

All teachers have participated in CPD within the school, led by our PE leader. Teachers found this helpful.

2 NQTs attended CPD sessions externally and had bespoke training in school with a leader from the PESSN.- feedback was that the session was excellent and that it gave great ideas to organise and differentiate the session.

Another teacher received bespoke PE training via the PESSN. It was very successful and she was nominated for the 'PE Teacher of the year' at the network awards. **'Joe came for 5 consecutive weeks to model and also give feedback on my P.E teaching. I learnt a lot and it gave me some great ideas.'**

During the Summer term 5 teachers were observed teaching PE across the school, all lessons were at least good and there was a strong, consistent approach across all 5 lessons. Teachers were using the scheme effectively and ensuring that all children were active and challenged. Three lessons had outstanding features.

91% of the children said they have enjoyed their PE lessons

Next steps are to share good practice across the school to ensure that teaching continues to improve.

3. Increase access and uptake of physical activity across the school to improve health and wellbeing

Daily mile introduced in September 2017 with every KS2 child now completing daily running. This has increased the amount of physical activity that each child does.

The number of after school clubs has helped to increase access and uptake of physical activity:

Autumn 2017:

3 clubs offered and 41 children accessing

Spring 2018:

5 clubs offered and 45 children accessing

Summer 2018:

4 clubs offered and 41 children accessing

92% of children said they felt healthier this year because of the extra opportunities they have been given in terms of sports provision and understand what being healthy means

75% said they feel like they do more exercise
