Thank you for your support.

We received a postcard!

I always make sure that everyone is feeling happy at playtime. I also play with children who have no one to play with.

## TOWER OF LONDON

Year 2 have enjoyed the iconic Tower of London, where they got to meet Samuel Pepys and read parts of his famous diary about The Great Fire of London.

The children loved walking in the footsteps of Samuel Pepys looking out across London as he would have done in 1666.

### OURPACT APP

Ourpact is an app that parents can download which allows you to control your child's internet usage. You can set times that your child can access wifi/4g on their phones, and you can do it remotely so your child has no control over it.

It also shows you what apps your child downloads too.

You can see access/download the app from your mobile phone. Please visit <https://ourpact.com/> for more information.

### COLLECTING CHILDREN

When collecting children at the end of the day, please ensure that you collect the children from the line to ensure that adults are aware that they have left with you safely.

Thank you.
