More Success!

Well done to our fantastic dancers who took part in a special 'Olympic' themed dance competition at 'the Scoop', on 27th May. Their basketball themed dance came 4th!

Before half term our Year 4 and Year 5 Classes took part in dental workshops. These were led by students from Kings College. The children learned all about keeping their teeth clean and healthy!

Congratulations to these children who received postcards in assembly this week!

Whole school attendance:

Our target for attendance is **96%**

We need your support in making sure your children are in school on time and every day!

Week beginning 23rd May 2016 **93.1%**

Class	Number of absences	Number of lates	Points
Red 1	24	8	75
Orange 2	10	9	375
Yellow 3	15	4	375
Green 4	18	7	150
Blue 5	10	2	725
Purple 6	10	0	800

Classes earn points for the best attendance or punctuality.

1st place = 75 points (100 for no absence or lates)

2nd place = 50 points, 3rd place = 25 points

Maths Fair

On Friday 17th May, just before half term, our Year 6 class, along with Zohra, organised our Maths Fair. Each class, and some parents, attended throughout the day. It was a great way to see how maths is all around us, and how they could use and apply their maths skills in fun ways. Thank you to everyone who helped organise the day.

Royal Big Lunch festival – Sun 12th June

12pm – 6pm, Sunday 12th June on Potters Fields Park & St John's Churchyard

Join the fun at 'The Royal Big Lunch' community festival this weekend on Potters Fields Park and St John's Churchyard. It is being organised by Potters Fields Park Trust in conjunction with Shad Thames Residents Association and Fair Community Housing Services.

It's a chance for local residents to come together for a lunch on the park by Tower Bridge. There will be lots of entertainment on the day with fun activities for both kids and parents, including Vauxhall City Farm, face and henna painting, Punch & Judy, maypole dancing, music on the bandstand and a Pimms stall.

You can also grab some food and drinks in the market area from Southwark Brewery, Brigade restaurant and B Street Deli. There will also be stalls with Bee Urban, Tower Bridge team, Holly and Lil and Gavin Jones gardeners.

Guy Fox Project:

On the first day we met Guy Fox. They gave us sketchbooks so we could earn money by drawing. We had to decide on housing, food, clothing and savings.

Each week we aged by a different number of years. Then we learn about investments and the risks of investing. After that, we learnt about pensions which is money that you put aside for when you retire so you have enough money to live on. When you retire, you aren't earning anything so you need a pension. Next we visited Willis Towers Watson who help people with savings, investments and pensions. We visited them because they have been volunteering to help us each week of the project. Guy Fox is working with us to make a book about savings, investments and pensions, which is published in October. We have done all the illustrations in the book!
