6/02/18	Safer Internet Day

World Book Day 2018

This year World Book Day will be on Thursday the 1st March. As ever, this will be a very exciting time for the children, dressing up as their chosen book character and spending time reading their favourite stories. Please spend time discussing with your child ideas on how to create the perfect costume. Should you need some inspiration, here is the official World Book Day website:

<http://www.worldbookday.com/dressing-up/>

Term dates for 2017-2018

Spring Term

100% Attendance for the Autumn Term

Well done to Milo, Matan, Kiera, Nolawi, Adam, Fyori, Abigail, Salma and Nolawi for attending school every day and arriving on time during the whole of the Autumn term!

Setting online safety resolutions with your family

New Year is a great time to make some new resolutions. Here are some ideas of online safety resolutions you could make as a family in 2018.

Have an open and honest conversation

Create a family agreement

Take a look at your accounts, whether gaming, social media or email

Play and use the internet together

Know how to report and block

Why don't you join us on 6th February for Safer Internet Day for a special parents' workshop? This year the theme is 'Create, connect and share respect: a better internet starts with you'.

The little Half

Some of our year 5 and 6 children have been invited to take part in a running event organised by London Marathon!

The Little Half is a fun, family friendly mass participation event that will see 4,000 people come together to take on a 2.4 mile course. It is part of the Big Half Festival taking place on Sunday 4 March 2018.

It would be lovely to see you there supporting our runners!

A mile a day!

As you know the children take part in a daily running session. The benefits of this approach are well documented and we are really proud of the progress the children have made so far. Please support this at home, by both encouraging your child's confidence in running, and moving outside with them out of school hours. You could also join our parents' running group every Friday at 8:55. Some of the parents mentioned that The Daily Run helped their children to eat and sleep better. Teachers have also noticed a big improvement in the children's behaviour for learning.

- **It's social, non-competitive and fun.**
- **The children return to class ready to learn.**
- **It helps to improve fitness and healthy weight.**
- **It encourages children to be aware of their health.**
- **It's fully inclusive; every child, whatever their circumstances, age or ability succeeds!**
