**ART INSTALLATION**

There is an art installation at the Tate Modern by artists Olafur Eliasson and Minik Rosing. It shows ice blocks from Greenland which are melting, highlighting the problem of global warming and climate change. It’s free and on the riverside so feel free to pop along and see it before they disappear.

**School Attendance - below 90%**

We expect all children to be in school every day unless they are really unwell. All children and staff have an attendance target of 95%. Children whose attendance is below 90% are discussed. If your child’s attendance drops below 90% a warning letter will be sent notifying you that this is the case and that your child’s attendance is being closely monitored. The letter will also detail the days/sessions missed in numbers, as well as time lost. If your child’s attendance drops again whilst it is below 90% you will receive another letter. You will be asked to come in for a meeting if your child’s attendance doesn’t improve and may be referred to Family Early Help Service. Targets are set for improvement and monitored by the Leadership Team. We offer a range of support for families who are finding it difficult to get to school everyday or on time. Please speak to Helen or another member of the Leadership Team for advice.

**REMAINDER:**

**RECEPTION APPLICATIONS**

The deadline for applications is Tuesday 15th January. Please ask in the school office if you need support with completing your form.

Transport Museum

Year 2 travelled back to the 1900s to see what transport was like back then and how it worked. They even took part in a transport trail around the museum collecting stamps on their bus tickets.

Just Enough Workshop

Year 5 and 6 participated in an interactive and fun workshop which focussed on anti-radicalisation. This session is designed to help children understand the reason these things can happen and why. They learnt why humans have always fought and how religion is for peace and not war.

We learnt how to stay safe online and not talk to anyone we don’t know.

Jessica

I learnt about terrorism in the past which I didn’t know before like Guy Fawkes.

Zach

Year 3 Fundraiser

Year 4 had the amazing opportunity of making props for Sleeping Beauty, the PwC pantomime. They made all different types of props including fish cakes, eggs and croissants!
