**School Attendance - below 90%**

We expect all children to be in school every day unless they are really unwell. All children and staff have an attendance target of 95%. Children whose attendance is below 90% are discussed. If your child’s attendance drops below 90% a warning letter will be sent notifying you that this is the case and that your child’s attendance is being closely monitored. The letter will also detail the days/sessions missed in numbers, as well as time lost. If your child’s attendance drops again whilst it is below 90% you will receive another letter. You will be asked to come in for a meeting if your child’s attendance doesn’t improve and may be referred to Family Early Help Service. Targets are set for improvement and monitored by the Leadership Team. We offer a range of support for families who are finding it difficult to get to school everyday or on time. Please speak to Helen or another member of the Leadership Team for advice.

**JUST ENOUGH WORKSHOP**

On Monday, Year 5 and 6 participated in an anti-radicalisation workshop with Just Enough. They learnt that radicalisation is the process by which people are recruited to believe what they believe and encouraged to carry out acts of violence or terror upon innocent people. Anti-radicalisation is about educating people about this process.

We learned that terrorism is an unexpected situation when violence is used to kill innocent people, trying to prove a point linked to their beliefs. (Year 6)

Radicalisation is when people recruit others to believe what they believe and it is mostly used for terrorism (Year 5)

**Prop Making Workshop**

Year 4 had a great time on Wednesday and Thursday working with members of staff from PWC, making props for their annual pantomime which for this year will be Sleeping Beauty!

We had fun making different props such as donuts, puddings, cupcakes and croissants out of newspaper and tissue paper. We enjoyed painting them once they were dry. Thank you to PWC for providing us with this wonderful and fun activity (Pixie)

**Transport Museum**

On Monday 10th December, year two went on an exploration of the London Transport Museum. They looked at historic vehicles and world-famous posters. Their favourite moment was taking part in a workshop where they went back in time and saw steam engines, trams and carriages. They had an amazing time and even wrote recounts about their experience!
