We received a certificate in assembly this week!

The 'Tell a Good Tale' certificate was awarded for showing good sportsmanship when playing games in the playground.

The 'Tell a Good Tale' certificate was awarded for settling in nicely and making new friends.

SHOUT OUTS

Lola in Year 3 for making sure that everyone is safe and having a good time.

Malak in Year 5 for always trying her hardest to run the 'daily mile'.

Precious in Year 6 for having a great attitude in the playground.

Princess in Year 4 for comforting other children by playing with them when they were feeling upset.

Sulayman in Year 5 for giving up some of his playtime to help with tidying up the computer room.

Safaa in Year 6 for playing with the younger children, skipping and making them laugh.

Stem Question of the week!

When Miguel was 6 years old, his little sister, Leila, was half his age. If Miguel is 40 years old today, how old is Leila?

Open Door Policy

Thank you to all the parents and carers who attended the pupil review meetings on Monday 10th February to speak to the class teacher about the progress your child is making and what they need to do to further improve.

As you are aware, we operate an open door policy and we are happy for you to make an appointment with the school office to see your child's teacher whenever you might have a concern or would like to discuss their progress.

Reading Raffle Winners★

Each week children win raffle tickets if they have read regularly at home. The raffle is drawn in our Celebration Assembly on a Monday and the lucky winners receive a book of their choice to add to their collection.

Congratulations to our winners!

E-Learning Platforms

Please ensure that your child uses the following E-learning platform during the half term to help them consolidate the learning that takes place in school.

As a school, we have spent a substantial amount of money on these resources to help our children to be independent learners and to carry on learning away from school. Therefore, it is essential that all children access these resources when at home.

Safer Internet Day

The focus for Internet Safety this year was 'Our Online Identity'

Our Digital Leaders led whole school assemblies in which they shared information with the children about staying safe when using the internet at home, the digital 5 a day and a family online plan to use at home.

We learnt that whatever you say online you should keep it kind. We had an assembly about being safe online. I learnt that you need to cover your identity when online to protect yourself and others. You should change your password regularly to keep your personal information safe.

During Safer Internet Day, I learnt that people can follow your online footsteps and trace you. It is really important that whatever you say online is kind and appropriate. When sharing photographs online, you must always ask for permission from those in the picture and make sure it's okay.

It was so much fun hosting the whole school assembly on Tuesday 11th February. The children were very keen and asked many questions about being safe online. We found it interesting to know that 59% of the world's population use the internet.

Year 4 at the Unicorn Theatre

Our Year 4 classes watched The Bee In Me at the Unicorn Theatre. This is a play that celebrates a child discovering their inner resources - resilience, determination, and ingenuity.

'We went to the Unicorn Theatre to see a show called 'The Bee In Me.' It was about a child who had a sad life and who could turn into a bee to get out of hard situations. My favourite part was when another child was trying to squish him with a shoe but he escaped out the window. We also did some really fun drama lessons linked to this where we got to act out a scene from the show and we could pick which animal we transformed into.' **Snowsfields**

"At the Unicorn theatre, we watched 'The Bee in Me'. The child had to go through different levels to complete their day. The acting was really fun and interesting and they ran into the audience to make us jump."

Tower Bridge

"The message at the end was to overcome your challenges and remember that you're special and unique. The queen bee gave the child this message and I think it was in a dream."

Tower Bridge

"It was mainly about daily life, the child was having a tough day and when things got really hard, they wanted to change into a bee and fly out into nature. The child struggled because they didn't get help from their parents and had to be really independent. Life wasn't always easy as a bee though either because someone tried to swat it!"
