Parent and Pupil Review Meetings

On **Monday 8th February** we will be holding our Parent and Pupil Review meetings. This is a chance for families to talk to the class teacher about the progress the children are making and what they need to do to improve further. **School is closed to the children on this day.** This is to allow time for the meetings to take place. Nearer the time you will be sent a letter about appointments.

Parents' Workshop

We would like to invite the parents and carers of our **Year 3** and **Year 4** children to a maths workshop on **Monday 18th December** between **9:15** and **10:00**.

We will be focussing on the progression in **Statistics (Data Handling)** and how this concept is taught in the new maths curriculum. You will also be provided with a pack full of ideas and strategies to help you support your child at home.

School Games Award

We are pleased to let you know that we have been awarded the school games award (bronze), for our PE and sports provision. We were visited by an assessor this week who reported that we also had many elements of the silver and gold standards too! Congratulations to Lara for all her hard work on our PE and Sports provision.

Mobile Phones

We are currently reviewing our policy on children bringing mobile phones to school. Many schools **DO NOT** allow children to bring phones to school at all. We strongly advise children **NOT** to bring phones to school. They are more vulnerable when carrying a phone. We will allow them to call you from the office telephone if necessary.

If you bring your child to school then they should **NOT** bring their phone at all.

Please check your child's phone regularly- do you know who they are communicating with? What messages they are sending? Which apps they are using? We have been following this up in school through our e-safety provision.
