SATS week

We were so pleased with all the Year 6 children this week. They worked really hard on their tests and maintained a positive attitude throughout. Well done to the Year 6 children and all the staff who have worked with them! We look forward to hearing their results in July.

Passports

Just a reminder that although we are happy to complete passport application forms for children in the school, where we have known the family for the required amount of time, we do make a £15 administration charge. Completing these forms is time consuming for staff involved. Any money collected goes towards school funds.

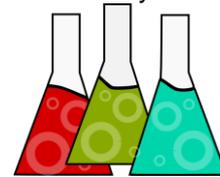

Free School Meals

If you are in receipt of any benefits, it is really important that you complete a form in the school office. The school is allocated additional funding based on the number of children who are entitled to Free School Meals. Please see Sarah Millar in the school office for further details.

Science Fair

Next Friday is our school Science Fair.

The children from Year 6 will be working with Maureen, our Science Leader to plan and organise different activities for everyone to enjoy.

Gardening

We are looking for parent volunteers who would like to do some regular gardening in our lovely school garden! If you are interested please speak to Sarah Manley.

Southwark Dance Festival

Last Friday a group of children took part in the Southwark Dance Festival. Their dance represented New Zealand, one of the countries taking part in the rugby world cup. They performed at 'the scoop', at More London. We were really proud of them, as they finished 4th overall. Thanks to Lara, Debbie and Anne for organising this!

VE Day Celebrations

On May 8th the school marked the 70th anniversary of the Victory in Europe. In a special assembly the children learned about this momentous occasion and watched some clips featuring thousands of people around London celebrating the end of World War II. The children reflected on the distress and suffering war brings and how we can work for a more peaceful world.

Cycle Training

Last week the children from Year 3 and Year 4 took part in Cycle Training. The instructors reported that the children were very sensible and made good progress over the two day course. The training is really important for helping to keep the children safe!
