School Leaders Update

Thank you to our school leaders for organising a day filled with fun activities to help us raise funds for children in Need!

We started the day with a whole school assembly where we learnt many interesting facts about this charity and where the money all of us have been raising will go.

More photos will be published in next week's newsletter.

Guy Fox Project at City Hall

'We had an amazing time on the 9th floor of City Hall. It started with a quiz about savings, pensions and how to invest your money. Money cannot

buy happiness but it can buy you the things you need to survive and help you enjoy your life. The message we have for you the reader is that starting a saving account is the best thing you can do! A saving account is a bank account that allows you to put some money aside and earn some interest on it. Another way to make your money go a long way is to invest it in hope that it will make you more money. As you get older, you need to start putting money in a pot for your old age.

Andy Haldane the Chief Economist at the Bank of England showed us a ONE HUNDRED MILLION bank note! He was really impressed with everything we learnt during the Guy Fox project. Everyone had a great time and our book look wonderful!' Martina and Seryn

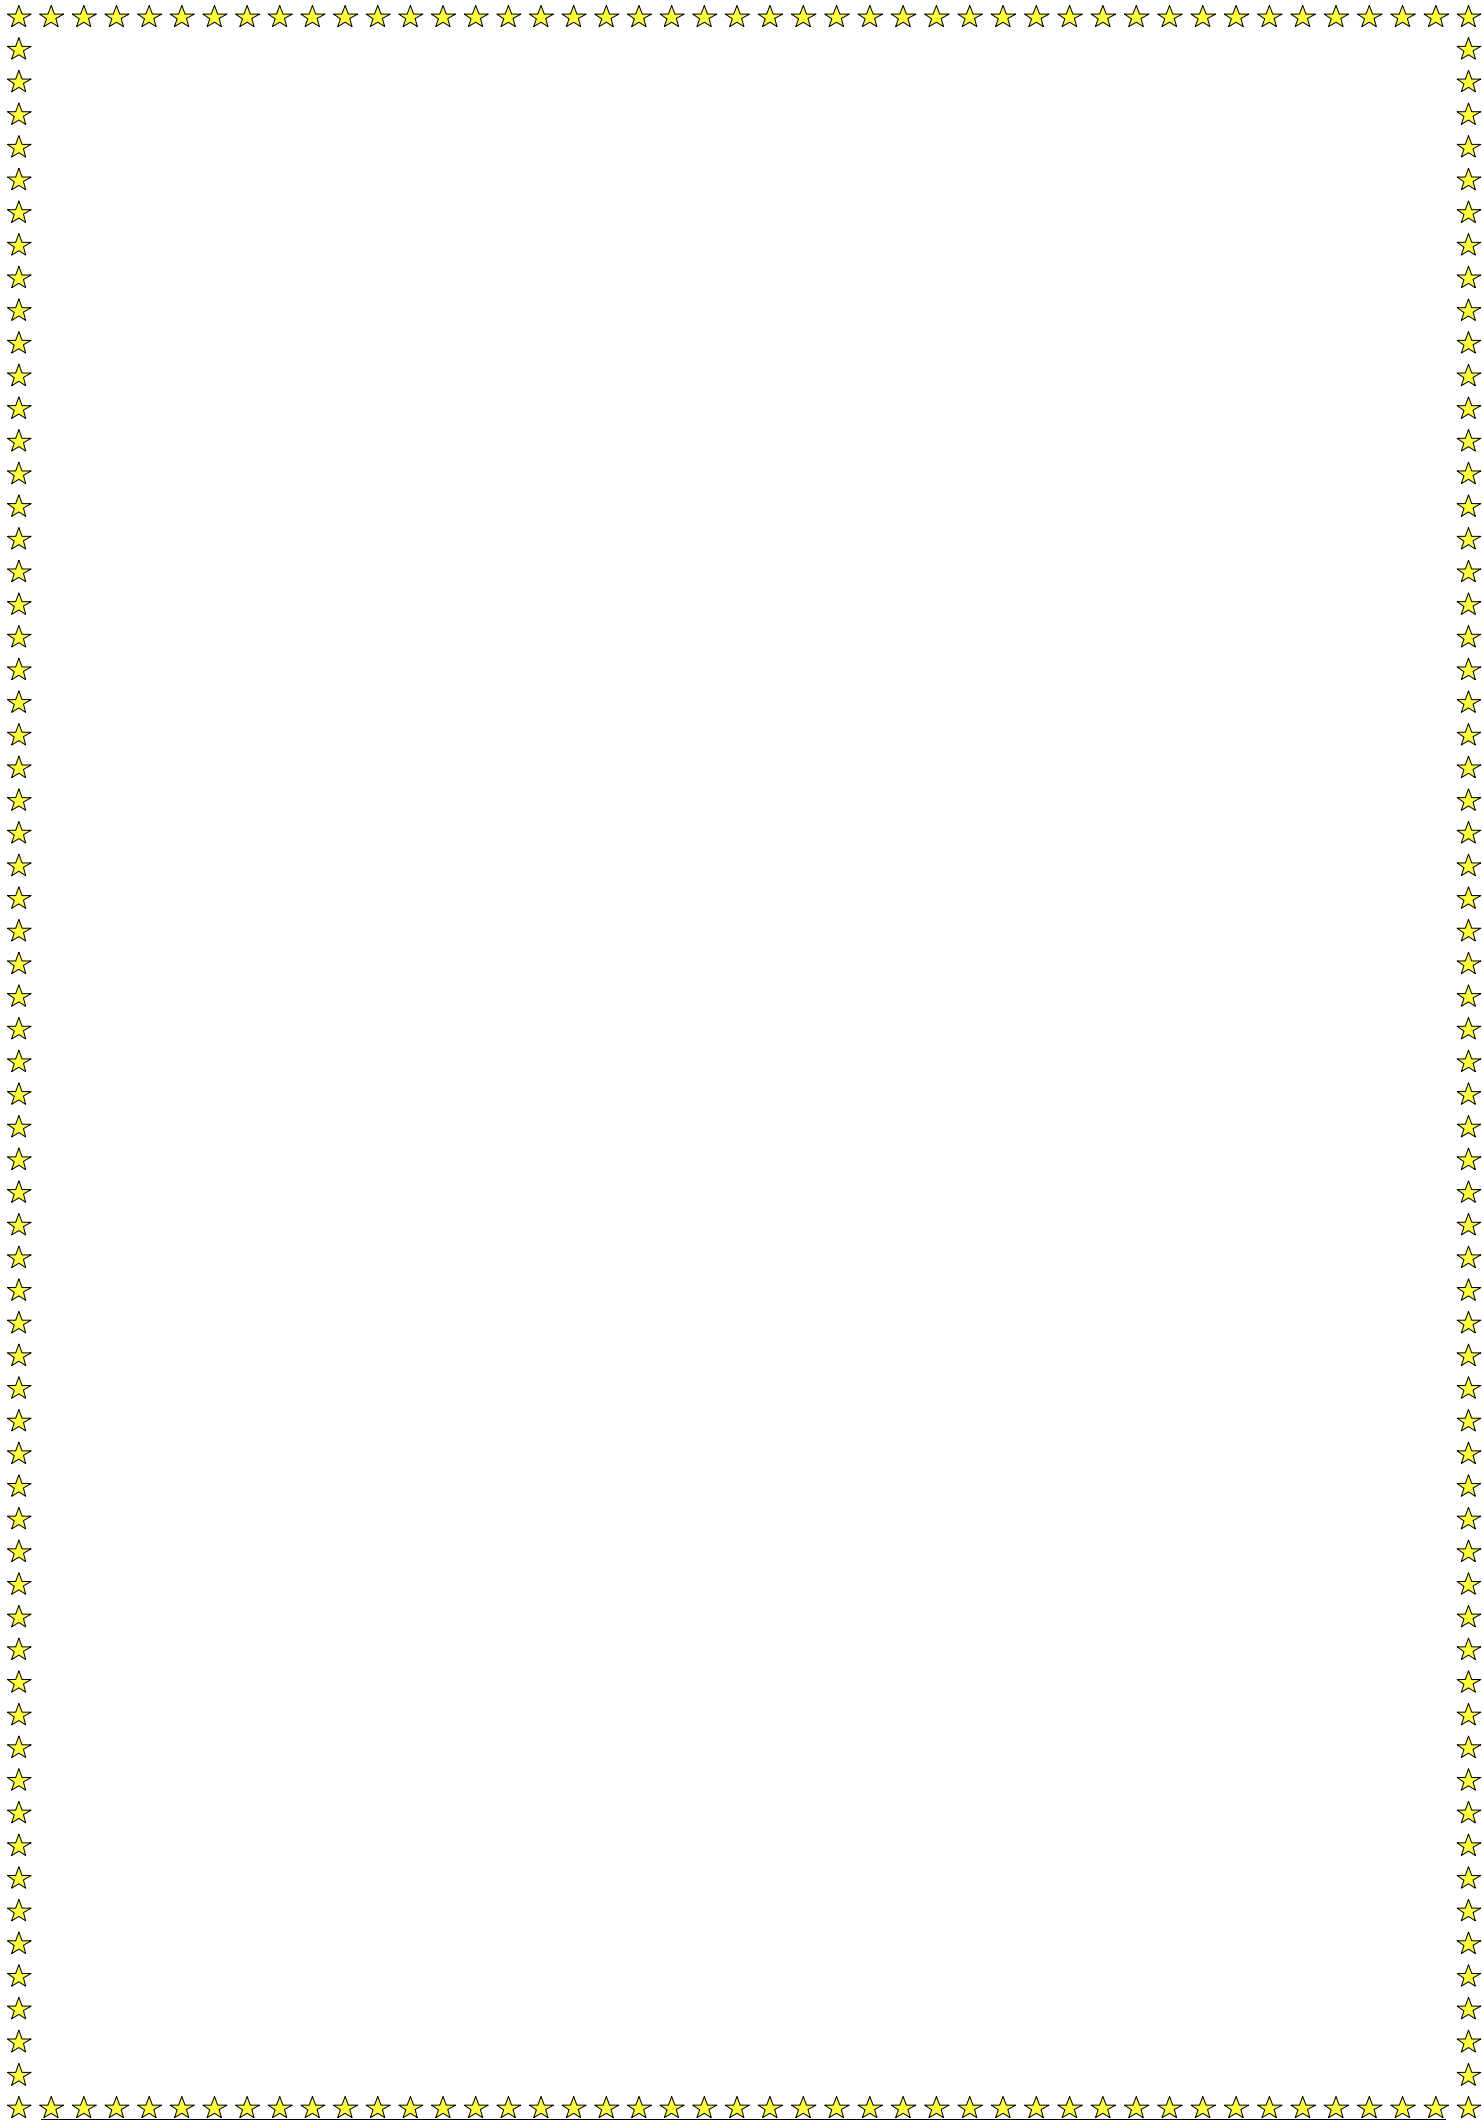

Purple Class Assembly

'Our play was a short reconstruction of how it might have felt like to be an evacuee during World War II. During the assembly, we shared some facts about what the evacuation process was like. We sang a heart warming song that soldiers sang during the War titled It's a long way to Tipperary.' Dayo and J'Cele.
