Safety Procedures

As you know, to ensure the safety of children and staff members, we carry out a fire drill practice every term. During this safety exercise all adults and children go through the evacuation procedure and get familiar with the primary escape routes.

In addition to this safety drill, we also have an evacuation plan in place in case of any major incident. All children and staff members would evacuate the school and make their way to Tower Bridge School. Parents would then be contacted and asked to collect their child from Tower Bridge School.
