Road Safety in KS1
 On Wednesday KS1 watched a performance teaching them all about being safe on the road.

You must look right and left before you cross the road. And wait for the green man!

Why is the sky blue?

We received a postcard!

I helped my friend undo the top button of her coat when she couldn't do it herself.

MESSAGES FROM THE HEAD BOY AND GIRL

School Council

As the Head Boy of Tower Bridge Primary School my main aim is to make this place as happy as can be. I want the other pupils to feel that they can come and talk to me about anything and know that I will listen to them.

I will be a good leader because I love helping others to succeed by motivating them to do their very best. During this year I would also like to make sure that all pupils feel like they can share their ideas to make the school a better place.

I want to be a good role model to the rest of the school by being hard working and resilient.

I am very proud to be Head Girl at Tower Bridge Primary school. I will make sure that the school continues to be a safe and happy place to be.

As Head Girl I would like to build confidence in other children by making the most of their talents. I would also like to listen to other children's opinions about what they want or would like to change.

This year I will communicate with the Sports Leaders about getting more PE equipment and how we will do that.

Year 6 Go Back in Time

Year 6 went back in time to meet a World War II soldier at the Tower of London. They listened to his stories and also got to ask him some questions and learn more about the war and what was it like.

He talked to the children about his training and even taught them some of the drills he had to do. After helping the soldier find his bag, Year 6 got to look at some of the different objects he carried into battle with him.

"It was really interesting and there were lots of details. Especially when he talked about the things he needed to go into battle and also what that felt like."
