5 Questions to Ask Your Child About their Day at School

Get a sense of your child's life at school by asking them to describe how their day went. It might be a good idea to start the conversation with an anecdote from your own day. Try one of these conversation-starters:

1. Tell me about the best part of your day.
2. What was the hardest thing you had to do today?
3. Did any of your classmates do anything funny?
4. Tell me about what you read in class.
5. Who did you play with today? What did you play?

World Book Day at KPMG

Our school council leaders were invited to KPMG to take part in a reading club as well as take part in an exclusive tour of the company. The children attended all dressed as their favourite book characters. They also brought along their Favourite book and was paired off with a KPMG volunteer to read together.

We enjoyed taking part
in the quiz!

It was fun reading with
the volunteers and
sharing our favourite
parts of the text.

World Book Day 2019

We really enjoyed dressing up as our favourite characters. We liked making our story chair and read a lot of stories while sitting on it. We had to wear the story telling hat. We have fairy lights there too.

I was a power ranger because they fight villains (Josh)

We thought World Book Day was fantastic because we could read lots of books and learn. We also liked the day because we got to dress up as our favourite characters and see everyone else dressed up too. We were so excited about our new reading corner because we really like reading.

"I enjoyed World book Day because we received a box full of books that we shared around the class."

"We had so much fun on World Book Day! We read the book Cockatoos."

"Dressing up was my favourite part. I really liked the character Alice from Alice in wonderland."

On World Book Day, we dressed up as our favourite book characters to celebrate. We focused on a book called 'Cockatoos' by Quentin Blake and a storyteller came in to tell us a mind-blowing story from Poland about a knight and a glass mountain. We wrote newspaper reports about the missing cockatoos and sketched cockatoos in the afternoon. We designed a storyteller chair based on Grimm Tales and decorated our book corner to match. It was a great day!

We enjoyed World Book Day because we were allowed to dress up as our favourite book character and listen to a special storyteller. We also helped design our new storyteller corner. We also received new books from the National Literacy Trust. In Yellow Class we love reading!

We listened to Hannah, our storyteller for the day who told us a story about Felix the Prince and a Dragon. Felix wanted to get rid of the Dragon as he was in charge of the kingdom. We read a book called 'Cockatoos' by Quentin Blake and created our own predictions and illustrations to show where the Cockatoos could be. We were lucky enough to get new books for our classroom and read with Yellow class. We helped each other find out the meaning of new challenging words. We also created our new underwater themed book corner based on Purple Group's design. Please come and take a look at our amazing storytelling chair!

We worked on our basket ball themed reading corner with lots of inspirational quotes. We enjoyed reading with year 2 and listening to the storyteller as well as taking part in the story.

We all had an amazing time! Now, we can't wait for next week when we will be told which class won the magical storyteller chair competition.
