MESSAGES FROM THE HEAD BOY AND GIRL

School Council

As I am Head Boy of Tower Bridge my aim is to make the school a safe and great place to be for all people. I can help anyone if you are sad or worried about something—I will listen to you.

I wanted to become School Council because I know I can be kind, respectful and resilient. Also, I have an "I CAN" attitude and I will succeed at helping you.

During the year, I want pupils to come to me and share their ideas so I can make the school a better place.

I am very happy Head Girl at Tower Bridge School. I wanted to be Head Girl because I wanted to help children so that they can be safe in and around school.

This year, I will communicate with the Science Leaders so that every body can go on more Science trips and carry out more investigations.

I look forward to doing my best in this role.

Wednesday 16th October 2019

6.00 pm until 8.00 pm

Jessica in Purple class recently cut her hair for charity. Here is her story:

During the summer holidays, my Nan raised money by cutting off all her hair for a cancer charity. This inspired me to do the same. My hair was not dyed, so I could donate mine to the "Little Princess Trust", which makes wigs for children who have lost their hair through medical treatment. I was super excited to do this. When it had been cut I had mixed feelings. I was happy because I did it for a good cause, but I was also shaky because I now had short hair! It took a few days to get used to my new haircut but I did feel proud to do this. I only cut it as I know I can grow it back and lots of other children can't.
