HELP IMPROVE THE ALFRED SALTER PARK!

The Alfred Salter Park (on Druid Street, beside the Downside Fisher youth club) is dilapidated and in need of investment.

Our children deserve a modern, safe, clean and green space to play.

I am bidding to win SIL funds from Southwark Council. The more support I have from the community, the greater chance of success.

HOW YOU CAN HELP:

email me to support the bid!
alimcculloch@hotmail.co.uk

You could include current problems with the park and your ideas to improve it. Every single email helps!

I liked walking on the glass floor. I was kind of scared but then I liked it. We learned about how they open Tower Bridge."

"We looked inside brown boxes and saw different things from different countries"

"I learned that Tower Bridge is painted red, white and blue because they're the colours on our flag"

"I liked the workshop and walking on the glass most. In the room we got to act out being the bridge and opening and closing for the big ships."

"We drew tallies of how many cars, buses and people we saw from the top of the bridge."
