TFL Safety and Citizenship

This week, the Year 6 children took part in a workshop conducted by TFL. The focus was on educating the children about making good choices when travelling as part of their transition to secondary school.

'I learnt that when you are on trains you should be careful about where you stand.'

'I learnt when you have your zip card/oyster card you shouldn't share it with people because your card might be confiscated for a year.'

'I learnt how to behave on public transports such as a bus, tube or train.'

'My favourite part of the day was learning about the London tubes and how to travel responsibly on them.'

LONDON EXCEL

'On Thursday 23rd January, the Digital Leaders travelled to BETT, a huge technology in education exhibition at London's ExCel Centre. We were able to visit lots of different stands run by companies who were showing off their latest innovations. We explored virtual reality headsets that taught us about the human body, played with exciting new interactive PE games and spent time working with Minecraft's education software. We also looked at some exciting new robots from around the world and used tablets to play with code.'

'I liked that we could see new devices and play with them.'

'A lady from Denmark introduced us to her educational game and even allowed us to program it.'

'We enjoyed playing the Minecraft education edition.'
