## Y4 Tate Modern Trip

"At the TATE Modern, we did drawings and we visited different floors in the museum. We saw lots of pieces of art; my favourite one was of a racing car by Andy Warhol. At the end of the day, we had a party and did the Macarena in the middle of the museum. Other visitors to the museum joined in."

Elijah

"In our group, we saw lots of amazing pictures and sculptures. We also got to do lots of fun activities including acting out what we felt about pictures we chose. We had some kind of recording device which we could talk into to explain how the picture made us feel, we listened to these back and it was really funny." Ephraim

"I was a Parish Constable and I was feeling a bit nervous with my lines because lots of people came but I did it!" Gibril

"It was amazing! At the start I was shy but by the end I was more brave and I felt proud of myself." Saira

## Year 5 and 6 Road Safety Workshop

We learnt that to be safe on the roads, we should always look where we are going. The adults also reminded us that we must look out for hidden dangers. I really enjoyed the session because I learnt how to be safe. Lordina

At the workshop, there was a staged crime scene to investigate what happened to a victim. We carried out an investigation to see who was to blame for the accident. We learnt that people should be responsible for their own actions when cycling, using public transport and crossing the road. Overall, I thought the workshop was fantastic because it taught us important road safety life lessons. Diego

The Bee In Me frames a day in the life of a 10 year-old from their perspective as they imagine themselves as a bee completing levels in a computer game. Three actors perform as the storyteller to take us on the child's journey in this vivid, dynamic, moving and electric play that touches on the challenges of urban life for a neglected child.

Full of joy, warmth and sorrow, this dreamlike and kaleidoscopic play celebrates a child discovering their inner resources – resilience, determination and ingenuity - and perfectly expresses the power of the imagination to set us free.

## Children's Mental Health

In support of children's mental health week, some of the school leaders from Snowfields and Tower Bridge Primary took part in a workshop at Cherry Garden Primary School. Some of the activities were Yoga, Capoeira and Mindfulness.

'I had great fun doing different yoga poses, some with a partner and others on my own. The best one for me were the ones that helped me with my breathing.'

 

'I enjoyed doing the mindfulness and self defence activities.'

'I really enjoyed all of the activities. They helped me to be mindful of the things I do and how to deal with negative emotions so that I can think more positively about dealing with things that upset me.'

 

'Overall, I really enjoyed the day, especially mindfulness.'

'Capoeira was my favourite as we learnt self-defense mechanisms. I'm really looking forward to mental health day as there are lots of children who need help with their mental health.'

Next week, the leaders will be sharing all the activities and knowledge they have gained with the rest of the school.
