ATTENDANCE AND PUNCTUALITY

As you all know attendance and punctuality are really important and children with good attendance and punctuality do better at school.

Children's attendance is monitored closely and where we have concerns these will initially be discussed with families and then with the school Educational Welfare officer.

Children who arrive after 9.00am will be recorded as late.

Unfortunately absence for holidays cannot be authorised.

Information on attendance and punctuality is recorded on children's reports and is passed on between schools.

We will be rewarding children and classes with great attendance and punctuality over the year.

Can you be a HERO?
