READING RAFFLE

Congratulations to Ethan for winning our raffle this week. Enjoy your book!

London Marathon and Miles for Mrs Manley!

On Monday Mrs Manley talked to the children about how running had helped her during her cancer treatment. She explained that she had been able to run a little bit throughout most of her treatment and it had helped her recovery.

She has been given a place in the 2020 London Marathon and has asked the children to support her by trying to run 26 miles before April 26th (the date of the marathon). If they complete their daily mile then they should have time to do this!

Mrs Manley would love staff, parents and carers to get involved too, so if you would like to join Mrs Manley for a run- please let her know!

E-SAFETY PARENT WORKSHOP

It was great to see so many parents at our e-safety workshop on Wednesday. We looked at ways to protect children from harmful contact and contact online, in particular via gaming apps and social networking sites. We also discussed the importance of being present while children are using technology and having conversations with them about what they do online. If you have any concerns about your child's safety online, please speak to their teacher or a member of the Leadership Team.
