Year 5 at the Apple Store

We used the app ProCreate to design a new invention. We created new playgrounds linked to our interests and old inventions. We got to use a special apple iPad pencil which felt like a real sketching pencil. We enjoyed watching our designs being projected on the big screen for us all to enjoy.

WEAR SOMETHING INSIDE OUT DAY

Thank you to everyone who supported our 'Wear Something Inside Out Day'.

By wearing something inside out we wanted to encourage each other to stop and think about how others are feeling on the inside.

We raised a huge £139.80 for 'If you care share', a charity which supports emotional well-being amongst young people.
