

Robert Browning, Snowsfields and Tower Bridge Primary Schools

We learn and succeed together

3rd July 2020

@PrimaryRobert @SNSPrimary @tbprimary Find us at: www.bridgesfederation.org.uk

Last day of Term

Please be reminded that school closes for the summer holidays on **Friday 17th July at 1pm for everyone**. We will return on Thursday 3rd September.

Home Learning

While at home during the Coronavirus outbreak, please remember to use our school e-learning platforms such as:

Mathletics, Reading Eggs, Spellodrome and ireadwriter to continue learning.

Remember to also follow your class twitter page for daily updates, ideas and activities. Below, you will find the links to your

Google class page and **twitter page**.

There are so many lovely videos and pictures of children working! Parents, please continue to share, but do not name children in the posts if their image is tweeted.

Home Learning Packs

Every Monday, we will be emailing you, a weekly learning sheet for your child (it will look similar to the half termly homework sheet). All the activities and learning for your child for the week will be included on this sheet. It will replicate what is being shared on twitter and the Google class pages.

Free School Meals (FSM)

We offer Free Healthy School Meals (FHSM) to all children from Reception to Year 6. However we strongly encourage applications for benefit-related Free School Meals (FSM) as the additional funding gained would benefit the education provision at our schools. If your child is not attending school and is eligible for Free School meals you may receive a meal voucher from Edenred (the national scheme) during the current COVID-19 pandemic.

Please use this link: <https://pps.lgfl.org.uk/> to access the Free School Meals/Pupil Premium Service web site provided by LGFL where you can quickly and easily check eligibility for free school meals and, if eligible, also gain welcome additional funding for your school, known as 'Pupil Premium'.

All new claims for FSM need to be made by 10th July for families to be eligible for payment over the summer.

Morrisons

'Thank you to Morrisons for providing food for some of our families in need at Robert Browning. They have really appreciated it'.

Keeping in Touch

During term time, members of staff will continue to regularly call the children who are at home. Staff will speak to your children about their learning to find out what they are enjoying and if they have found anything too hard or easy. Sometimes the number will show "No Caller ID". Please answer the call. If you have more than one child, sometimes you may get multiple calls on the same day.

Thank you to all our parents for supporting our schools during the current crisis.

Summer Holiday Plans

Following the Government's announcement on Thursday 2nd July, we are delighted to be able to start planning for all our children to return to school in September. Parents, if you are planning to travel abroad during the summer holiday, please factor in that your children may need to self isolate for 14 days when returning from overseas. The new school term begins (for children in years 1 to 6) on Thursday 3rd September 2020. Reception children will return on Monday 7th September 2020.

Lambeth and Southwark's Summer of food and fun

The Mayor's fund for London has joined forces with Lambeth and Southwark Councils to host an exciting and extended programme of holiday food and activity this summer.

Our 'Summer of Food and Fun' programme begins on **22nd July** and runs until **2nd September 2020**, ensuring that children and young people (aged 4-19 years), their families and/or carers are able to access a regular source of free nutritious meals over the summer, whether at a local club or at home.

You will also be able to join an array of fun and engaging community activities including sports, theatre, arts and crafts and cooking. In the event of continued lockdown, young people will still be able to access activities remotely, including food and nutrition education, arts and crafts, literacy support, and a wide range of physical activities.

The dual-borough programme will be delivered by our network of local community organisations ('hubs'), including schools, adventure playgrounds and youth clubs, that would usually offer free meals and activities during school holidays through our Kitchen Social project.

For more information and to receive an online programme, please click on the link below:

<https://www.mayorsfundforlondon.org.uk/lambeth-southwark-summer-food-fun/>

Kindness Activity

Make a list of all
the different
ways you can be
kind.

Ask an elderly
relative or
neighbour if they
need any help.

Free and confidential support for people in Southwark.

Abuse can be physical, sexual, emotional or financial which takes place within an intimate or family relationship.

Abuse can include neglect, controlling behaviour, forced marriage, honour based violence or female genital mutilation.

If you are being abused, remember you are not alone.

We can help you by providing advice and support with:

- Improving your safety
- Housing and homelessness
- Finances and welfare benefits
- Access to legal services
- Parenting and children
- Emotional support

We also provide a service for men, women and young people using violence within an intimate or family relationship.

A fresh start in Mathletics for the new school year

Dear parents/guardians,

We wanted to let you know that your child's Mathletics account will be refreshed on **Monday 27th July 2020**, ready for the results from the next school year.

What does this mean?

- Results are reset so you'll only see the latest and most relevant results
- Progress bars are reset so you can see how your children are progressing with this years curriculum

What about their achievements?

Your child's Avatar, certificates, and Live Mathletics scores will still be there, ready for another exciting year of maths!

What do I have to do?

Your school will take care of everything. They'll set your child's new curriculum and learning journeys, and you'll be able to use Mathletics at home in the meantime.

We look forward to another fun year of learning!

Warm regards,

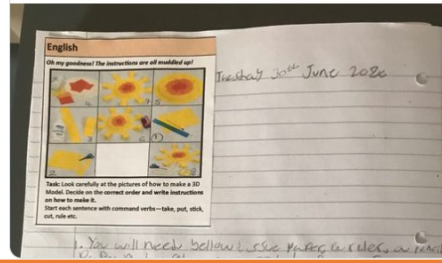

The Mathletics Team

Emma Jane sees lots of different landmarks on her journey. Can you design and make one of the landmarks in the story? What can you use at home to create it?

Please contact Anna at Robert Browning, Helen at Tower Bridge or Jo at Snowsfields if you would like to find out more about the Southwark Children and Young People's Wellbeing Team.

SOUTHWARK CHILDREN & YOUNG PEOPLE'S WELLBEING TEAM

We are a friendly team and we are here for you.

We work through the reasons you may not be feeling your best self.

Our help might help you

The words we use to work together are: 'Guided self-help' (GSH).

"Understand your mood, change your life"

We help children and young people between 5 to 18 years with...

Fears and worries

Low mood – feeling sad or down.

We help younger children with difficulties through working with their parents.

We meet once a week for eight weeks

You have our support

We help you understand your difficulties.

We help you plan how to keep all that you learn Going.

You can get support from us through a referral by your GP or school.
