## **Back to School Resources**

Southwark have created a back to school resources website which includes lots of information about returning to school and can be found here: https://www.southwark.gov.uk/ health-and-wellbeing/public-health/for-thepublic/coronavirus/resources-for-parents-andcarers/back-to-school-during-covid-19

Parents can also email

backtoschool@southwark.gov.uk if they have any questions, queries or worries about their children returning to school.

The above resources can also be found on our federation website https:// thebridgesfederation.org.uk/latest-news/ along with other helpful resources regarding attending school during COVID 19

#### **Individual Education Plans**

Next week we will be sending out individual education plans for children with additional needs. To ensure that we are following government guidance in relation to Covid19 there may be some changes to the way that interventions are delivered this year. Please get in touch if you have any questions.

### **Lost Property**

If you think you have lost property in school, please contact the school office to arrange a date and time to collect your items.

#### **COVID-19 UPDATE**

Each week this page will contain any new updates linked to our procedures and protocols around COVID19.

Our intention that the school will run as normally as possible within the current Government Guidance. **All children will be expected to attend**. School will be compulsory again and families who don't attend may face fines. At the moment there will be no school clubs after school in the Autumn Term.

Please maintain a two metre distance when dropping off and collecting children from school.

#### Safe wearing and removal of face coverings

If your child is wearing a face covering to and from school please make sure you follow this guidance:

Safe wearing of face coverings requires cleaning of hands before and after touching – including to remove or put them on – and the safe storage of them in individual, sealable plastic bags between use. Where a face covering becomes damp, it should not be worn and the face covering should be replaced carefully.

Pupils must not to touch the front of their face covering during use or when removing it and they must dispose of temporary face coverings in a 'black bag' waste bin (not recycling bin) or place reusable face coverings in a plastic bag they can take home with them, and then wash their hands again before heading to their classroom.

Parents and staff should wear a face covering if they cannot maintain a two metre distance (outside) and parents should wear a face covering to enter the school office.

Remember to CATCH IT, BIN IT, KILL IT.

#### Responding to a suspected case of Coronavirus

Please do not send your child to school if they are unwell. If they have a high temperature, loss of smell or taste or a new, continuous, dry cough, please let us know and book your child to be tested immediately. There are a list of other symptoms available on the NHS and Government website.

Anyone displaying Coronavirus symptoms in school will be sent home immediately and will need to follow the Government guidelines for self isolation.

- Child with symptoms will be sent home
- They need to call 111 for a clinical assessment and arrange a test if advised
- Siblings will be sent home but do not need a test unless they are showing symptoms
- Other children in that group can continue to come to school until the test results are back
- If the test is positive, the symptomatic child must self- isolate for 10 days, siblings for 14 days and the same group children and staff for 14 days. We will also notify Public Health England in Southwark for further guidance
- If negative, the child can return when better
- If parents refuse to test their child, we will notify Public Health England in Southwark who will follow this up with the family, GP and complete a risk assessment. They will advise the school on our next steps.
- The school has been sent a small number of test kits. Testing kits are suitable for people of all ages over the age of one. Parents/ carers will be required to administer the test to children under the age of 11. Full instructions are provided within each kit. Test kits should not be given directly to children: only to adults over the age of 18 or child's parent/carer. School are not expected to administer testing.
- Appointments at test sites can be booked via: <a href="https://self-referral.test-for-coronavirus.service.gov.uk/antigen/name">https://self-referral.test-for-coronavirus.service.gov.uk/antigen/name</a>
