## NSPCC Online Assembly and Fund raising Event

The School Council members have decided that their fundraising event this term will be in aid of the NSPCC charity. They are asking all pupils and staff to come to school on **Wednesday 25th November dressed in something green and donate £1** which will go towards the NSPCC - the UK's leading children's charity.

Throughout the week beginning 23rd November the children will be participating in the NSPCC's ***Speak out Stay safe Online programme***. *Speak out - Stay safe* is a safeguarding programme which is designed to help children to understand abuse in all its forms and to recognise the signs of abuse in a child friendly and interactive way.

## Resources for parents and carers

Updated resources relating to New Covid-19 restrictions can be found on the councils website:

Last week, we gave you a sneak preview into what we have been doing in school regarding remembrance day: the children observed one minute silence and made poppies to show their appreciation.

This week we would like to show you our frames for our chosen war heroes which we decorated with all the poppies we made.

Well done to all the children and adults who have worked very hard to decorate these frames and the area around them.

## **Tower Bridge Reception Class**

‘We made diva lamps for Diwali in Reception. We worked hard to listen to instructions and then help mold the clay. It was quite a challenge but we did it! We then were able to decorate our lamps independently using sequins and beads.’

## **Southwark Educational Psychology Service**

The Southwark EPS have been collaborating with other EP services across England to think about how the return to school has been for children and young people. They have created a short survey for young people to complete, to get a better idea of what has been positive and challenging about returning to school.

They hope that as many children as possible can complete the survey nationally, so their voices can be heard and used to inform school practice.

All children and young people are welcome to complete the questionnaire, regardless of whether they are currently attending full time, part time or not at all. You can reassure pupils that their responses will be anonymous and that their opinions are really important! Please support your child with completing this survey.

The findings will be published as part of a national piece of research which will be shared with schools in the future.

Please see the link below for children attending primary schools:

<https://forms.gle/R6H7n4sUpBzDPn9Y6>

The link will also be uploaded on your child's Google Classroom or Google Site pages.
