You must choose 2 options from the table below. You must choose 1 from the first column. The darker the colour, the more difficult the task is.

| 5 stars | 10 stars | Challenge! 20 stars |
|---|--|--|
| Create a fitness circuit that involves different exercises. Draw and label your circuit. | Use natural materials to create your own Andy Goldsworthy inspired art and photograph it before it disappears. | Make a model of a Stone Age tool. It must not be dangerous, so use papier-mâché or cardboard instead of stone or bone! |
| Walk around your home with a torch. Record the items that reflect light and those that absorb it. | Create a rainbow (could be painted, collaged, knitted or coloured) and label it in French. | Research an item an archeologist has found and create a news report on google classroom about the new finding. |
| Learn and recite numbers up to 10 in French. | Make a poster explaining how to be safe when using the internet. Make it bright and colourful! | Design an informative board game about the Stone Age. |

HOMEWORK DUE IN WEEK BEGINNING: 14.12.2020

Home learning conversation:

What would you do if you went into a Time Machine back to the Stone Age, and got stuck there? How would you feel?

Happiness Homework:

Do something at home that makes you happy! Present your happiness homework to the class in whatever way makes you happy!
