

CLASS: CATERPILLAR

YEAR GROUP: NURSERY

OUR TOPIC THIS HALF TERM IS: FOOD AND CELEBRATIONS

You MUST DO THE FOLLOWING HOMEWORK:

Reading	Maths	Physical Activity
<p>Share a book with your child every day. Talk with them about the pictures and story.</p> <p>Make sure you complete the reading journal to say if you and your child enjoyed the book! Was your child interested? Could they tell you the story using the pictures after you had read it a few times?</p>	<p>Learn to say the numbers 0 -10 in order</p> <p>Use positional language e.g. on, under, in etc.</p> <p>Recognise 2D shapes in the environment.</p>	<p>Practice counting movements e.g. 10 jumps, 5 hops etc and show us in class</p> <p>3 times a week or every day if you can!</p>

You must choose 2 options from the table below.

You Should Do One:	You Could Do:	A Challenge Would Be:
<p>Choose a recipe and then make the food! You can bring pictures in to show the class or tweet us pictures and videos on our class twitter page.</p>	<p>Use your senses! Find some different food with your adult – think sweet/salty/sour...then try some different foods with your eyes closed! Take pictures and videos to tweet.</p>	<p>Learn a song or poem in a different language and perform for the class</p>
<p>Make a firework picture with paints, crayons or whatever resources you have.</p>	<p>Cut and stick some pictures to represent a special celebration for your family. What makes it special for you? We would love to see the food, clothes and other activities important to you.</p>	<p>Try some different foods (fruit or snacks!) from around the world and take photos of what you try! Stick the photos in your homework book to share with us and make us jealous!</p>

Home learning conversation:
‘Where does our food come from?’

Happiness Homework: Play a game with someone in your family

Homework is due : Mon 14th December

Remember you can share your home learning on @RBCaterpillar/ @CaterpillarTb and ??
