

CURRICULUM

Rationale

Our curriculum has been designed to raise standards and improve outcomes for the children throughout the federation. Children enter our schools with a wide range of needs and experiences, which are sometimes limited. Our approach has been developed to meet the needs of all our pupils and enrich their lives; whatever their starting point.

Our curriculum has been shaped to reflect the ethos, aims and values of our schools

Intent

Creative learning helps to equip young people with the skills, ability, confidence and attitudes to enable them to work creatively and to transfer and apply knowledge in different contexts towards new and valuable goals. It encourages creative, critical and reflective thinking and produces excited, enthusiastic, enquiry-driven, active learners.

Our curriculum is planned to:

- help children to become INDEPENDENT, RESILIENT, ACTIVE learners
- be MEMORABLE, fun and engaging
- provide opportunities for children to be creative and allow time for them to explore and develop their own ideas, solve their own problems and use and apply skills – TINKERING
- be child centered and based on children's interests, allowing them to direct the learning where appropriate
- have a strong focus on Literacy, including opportunities to read, write, speak, debate, discuss and question across a range of styles and subjects
- be broad, balanced and cross curricular, making links to prior learning, knowledge and skills so that the learning is meaningful
- encourage children to make informed choices
- be flexible and allow us to respond to personal, local and national events

BEHAVIOUR & DISCIPLINE

The Governors believe that for effective learning and wholehearted support for the school, there needs to be a strong consensus between parents, pupils and staff on what constitutes acceptable behaviour and fair discipline. The Governors have issued the following statement setting out what they think each pupil, parent and teacher has a right to expect and what it is reasonable to expect of them in return.

As Governors we recognise the rights and responsibilities of all pupils, parents and staff. We therefore expect all pupils, parents and staff to show due respect and courtesy to one another. In particular we believe:

Pupils are entitled to:

- Work and play in a secure environment, without fear or disruption
- Receive praise and recognition for their efforts and achievements
- Be respected as individuals
- Be subject to discipline that is fair, consistent and explicit in its expectations
- Receive understanding and support to help them meet the school's expectations

Parents are entitled to:

- Be respected as partners in the education of their child
- Be consulted at an early stage if their child is causing concern
- Receive clear information on all aspects of their child's progress
- Receive clear information on how to approach the school if they are concerned
- Receive clear information on their rights when any formal disciplinary measures are taken

Staff are entitled to:

- Work in a secure environment without fear or disruption
- Expect pupils to comply with reasonable instructions, given that staff have legal responsibility for the safety of all children in their care
- Receive support in their efforts to maintain the good conduct of the school and efficient learning

Pupils, parents and staff are all responsible for ensuring that others have the same rights as they do.

Responsibility for discipline in the school rests primarily with the Headteacher, subject to the statement on discipline from the Governing Body. The Governors are called upon from time to time to consider whether particular disciplinary action is appropriate where a dispute arises. While we shall try always to respect the individuality of pupils, parents and staff, the school is a community and there are times when the greater good of the whole school must take priority.

The Governors do not wish to draw up an exclusive list of prescribed behaviour and sanctions. We expect fair and reasonable behaviour and the full circumstances of each case to be properly considered. But we wish to make it clear that in exercising our functions, the Governors will regard the following as unacceptable behaviour at Tower Bridge:

- Any action inconsistent with school policies
- Any form of violence, bullying or intimidation
- Racist or abusive language
- Bringing to school any inappropriate item
- Action outside of school that brings the school into disrepute
- Influencing pupils to participate in unacceptable behaviour

We believe that good order and mutual respect between pupils, parents and staff will be promoted where expectations are made clear and are widely accepted.

FINANCE

The purpose of the Resources committee is to set the school's budget at the beginning of the financial year and regularly monitor to ensure that spending does not exceed the limits set and offers best value for money.

The committee monitors the spending of additional money such as Pupil Premium and Sports Premium. Details on this funding for each school can be found on the Federation website.

It also considers all matters relating to recruitment and retention of staff and ensures that The Federation schools have the best possible teachers and support staff for each individual child to achieve their best possible outcome.

The committee also oversees the school's policies on pay and conditions of staff, as well as the management of their performance.

The final role of this committee is to maintain a safe and secure building for children and staff to work in.

Charging Policy

All classes go on at least one trip each term linked to the topic they are studying in class.

We do ask parents and carers for voluntary contributions to cover the costs of a variety of school educational activities. This is often only £1, but will vary depending on the overall cost of the trip.

No individual child will be prevented from going on a trip because they have not paid.

We do our best to keep costs at a minimum and we ensure that all activities are a valuable part of the curriculum.

Additionally, we undertake regular fund raising to support major activities like School Journey. GroupM, a media company based in Holborn, kindly made a donation to the school to support our on-going outings programme. They also allowed staff time off to accompany the children on the day of the trips.
