

When using google classroom for the first time, go to google to find the site.

Type in the email, press next, then your password.

Your child/children will only have access to their class page. If your child has to share with a device with a sibling, please make sure they log out after each use.

Stream – this takes you to the classroom home page
Classwork – this is where the work can be found

100 points

This term you will be learning about the work of Charles Darwin. Create a Google Slides presentation about what you already know.

Your work Assigned

[+ Add or create](#)

[Mark as done](#)

File Edit View Insert Format Slide Arrange Tools Add-ons Present

Click to add title

Click to add subtitle

Click to add speaker notes

When you click on add or create, a list of options will appear.

This assignment says to use Google Slides.

In school this has been the easiest platform for the children to use. We suggest unless it says otherwise, use Google Slides (like powerpoint).

[+ Add or create](#)

[Turn in](#)

Files save automatically in Google Drive.

When ready to “turn in” or send to the teacher for marking and feedback, go back to your Google Classroom Tab and press TURN IN.

You can UNSUBMIT if you want to add to your work.

Your teacher will leave feedback and mark your work.
