

## KS1 and KS2 Home Learning Expectations - Paper Packs

The following are the expectations for KS1 and KS2 classes if a bubble has to close or there are wider school closures.

This is for those children who do not have access to a device or the internet at home and so cannot access our remote learning on Google Classrooms or on the other platforms we use.

- In your pack you will have received a workbook for maths, reading comprehension and SPAG (spelling, punctuation and grammar)
- Your child will also have their home reading book and reading journal
- They should be completing at least one maths activity and one writing activity per day, as well as, reading each day and completing their reading journal at least three times per week.
- They will also have the range of homework projects they can complete. You will have received this sheet at the beginning of term.
- A member of staff will contact you regularly to offer support and feedback with your child's learning
- If you are able to, please Tweet any work or activities that your child has completed. Teachers check Twitter every day.
- Please contact the school if your child has completed all the work. It can then be returned to school for marking and you will be given another pack.
- If you have any questions please call the school and speak to someone
- Any materials that have been sent home for your child to complete **must be returned on the day they return to school**

Please let us know as soon as possible if your situation changes and you get access to a device and the internet so we can make sure you are accessing the learning online.
