Covid Symptoms

If your child shows one or more of the three main coronavirus symptoms: a temperature, a new continuous cough or a loss or change in taste or smell then they must take a PCR test. A Lateral flow (rapid) test is only to be used when a person has no symptoms.

Google Classroom

Dear parents and carers we would like to remind you to log onto google classroom with your child regularly to check for the following:

Topic webs, homework sheets knowledge organiser or any additional task set by your teacher.

Medical Appointments

In our attempt to minimize any disruption to the children's learning, we are asking that all routine appointments such as dental, opticians etc. are made either after school hours or during school holidays.

Our core value for the week is: Resilience
Keep on trying, not giving up, having a growth mindset!

We received a certificate this week for being resilient!

CREST Superstar Awards

Well done to these children from Year 4, Year 5 and Year 6 who have received their CREST Superstar certificates. All certificates were signed by the mayor of London Sadiq Khan.

These thirteen children completed eight special, scientific enquiries during lockdown and have achieved the internationally recognised CREST Superstar Award for their efforts. They investigated raft building, cheese making, forensic fingerprints, bridge building, rocket launching and more.
