We learn and succeed together

Lisa was one of the most special people you could meet. She had a passion for her job and always put the children first. Lisa went beyond and above in everything and was always there encouraging and supporting others.

Lisa was a great Teaching Assistant, colleague, friend and mother. Tower Bridge is a little less vibrant now.

We will be making a "Memory Book" that we will share with Lisa's family when they are ready. To do this we will be asking staff (past and present,) children and parents to write or draw something about their memories of Lisa. The children will do this in school this week. Please return any contributions to Tower Bridge by Thursday 22nd July.

Please let us know your ideas for a lasting legacy for Lisa - this could be a bench, a tree, an award. We will plan a special assembly for next academic year and will let you know more information nearer the time.

If you would like to send flowers for Lisa's funeral, these need to be at Albin's Funeral Directors near Southwark Park by 8.15am on Thursday 29th July.

Fundraising for Lisa Rowland's Family

On Wednesday 21st July we will be holding fundraising events across the federation for Lisa's family.

Race for Life at the Bridges Federation!

This year's Sports Day we raised money for the charity Race for Life. We wore pink or red to show support for those fighting cancer. We then played games and competed in Sports Day activities. The day was a huge success and would like to thank parents and children for their support and effort.

We took part in 4 different games and then completed our Race for Life, which was FIVE laps around the football pitch.

We cheered on our team members and remembered that having fun and being a good friend is what it's all about.

We enjoyed taking part in Race for Life and raising money for charity!
