29th November 2021

Dear Parents

Many of you will have seen the news over the weekend about a new Covid variant that has entered the UK. New Government guidance has been issued to schools.

As a precautionary measure we will be implementing some changes from today:

- Staff will be wearing masks again in all communal areas and at the beginning and end of the day on the gate and in the playground.
- We are limiting the amount of contact classes are having with each other and assemblies will be virtual.
- All plays at the end of this term will be recorded and shared with other classes and parents to watch.
- We are continuing to ensure rooms are well ventilated, and everyone follows good hand hygiene and cleaning procedures.

We are also asking you all to wear a mask when you drop off and collect your children. We know masks are not mandatory outside, but we are just trying to keep everyone safe by limiting transmission of the virus as best we can.

Also, where possible, please phone or email the office instead of coming in.

We really appreciate your support with this.

Kind regards

Kate Wooder
Executive Head
