## Market Trader Training

In preparation for the Young Marketeers sale taking place on 6th October at Borough Market, the children took part in a session where they learnt how to set up their stalls, manage their money and attract customers.

On the 6th October we are going to be selling our vegetables at Borough Market. To attract visitors, we made posters for our fruit and vegetable stall. All of the money we raise will go to The Felix Project and use to provide meals for someone in need.

Tom came in and he talked about how we are going to sell our fresh crops at Borough market to raise money for the Felix charity. For every £1 we raise, it can make 6 meals. We are looking forward to the project and very excited to sell all our fresh vegetables and fruit that we grew in our school garden.

We also made posters for our stalls to sell fresh produce at Borough market. We will be selling apples and cucumbers.

## Ofsted at Robert Browning

Thank you to all the parents and children at Robert Browning who completed the questionnaires and spent time talking to Inspectors during our recent ofsted inspection.

We received a certificate in assembly this week:

for outstanding learning!

for excellence, enjoyment and effort!

## Young Marketeers' Sale Day at Borough Market

On Wednesday 6th October 2021, Robert Browning, Snowfields Primary and Tower Bridge Primary will be taking part in the Young Marketeers' sale day at Borough Market.

We are desperately in need of some **plants and home grown produce such as herbs, apples, pears, potatoes and pumpkins.**

We are looking forward to your donations!
