All children in year 4 and below must be accompanied to the school gate by an adult!

Next week, we will be holding Maths cafes on Google Meets. The sessions will start at 9.30am and is for 15 minutes. Your child's teacher will be posting a link to the session on Google Classroom and the office will be sending a text with the link for you to access. This is a great way to ask questions and find out what your child is learning about in Maths. More information will follow on which day your cafe will be on and times.

Anti-Bullying Week

This week we took part in Anti-Bullying week. The theme for the week was 'One Kind Word.' We took part in live online lessons that highlighted some of the issues around bullying and the support available including support with navigating the online world from [BBC Own It](http://BBCOwnIt). The children also attended assemblies where they were remind of what to do if they should ever encounter a bully.

Mums for Lungs

Mums for Lungs is a local group and they are campaigning to reduce air pollution for the benefit of our children's health. **They will be running a webinar on Zoom on Thursday the 25th of November at 8pm that they think residents in the London Bridge and West Bermondsey ward may be interested in attending.**

The webinar will include a conversation between their founder Jemima Hartshorn, a doctor (GP) and also a London parent whose child has been affected by air pollution. Click the link below to register:

We received a certificate in assembly this week:

For being independent!

For demonstrating a love of learning!

For setting goals and being aspirational!
