PE and Sport Priorities for 2021-22

Conditions of grant: The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Review: This plan will be evaluated termly by the PE Subject Leader working alongside the Leadership Team. The evaluated plan will be published each academic year. Evaluation will be through measuring participation, CPD evaluations, interviews with pupils and sports leaders, questionnaires with parents, staff and pupils.
