Newsletter 6th May 2022

Dear Parents,

Eid Mubarak to our families who celebrated Eid al-Fitr at the weekend.

We want to wish all of our pupils in year 6 the very best of luck during their SATs tests next week. They have worked so hard and we are so very proud of them. Please encourage them to have a good night's sleep all next week and arrive at school for 8:30am for their SATs breakfast.

Please add the date of your child's reading cafe to your diary, we are so excited that you will be coming into school to read to your children.

We hope you enjoy the lovely sunny weather this weekend.

The London Bridge Mosaic Project.

David told us about his whole life then we told him about ours. It's cool that our stories will go to Southwark archives.
Aneesha

This week clubs restarted after 2 years. Thank you to all staff who are offering clubs.

Green Class went out to the local area to find living things as part of the Science work.

Butterfly Class designed parachutes for eggs and carried out an Egg Drop Experiment.

The Reading Shed continues to bring us joy. You can visit it too when you join your child for Reading cafe! Check out the class dates at the top of this page.

Friars Primary School

Year 1 and Year 4 visit to Royal Botanic Gardens, Kew

In Year One we are learning about plants. At Kew Gardens, we took part in a workshop called 'Amazing Plants.' We found out about different seeds and where to find them on each plant. We also learnt about why cactuses are spiky.

In Year Four we are learning about living things and their habitats. At Kew Gardens we learnt about the different layers in a rainforest, plants that grow in different climates and how important bees are.

Friars Primary School

In Early Years, we are learning about the story 'Sam Plants a Sunflower.' We planted our own sunflower seeds. We are waiting patiently for them to grow.

Snowsfields

Year 1 had so much fun taking part in a multiskills session with the coaches from LPESSN. They used their listening skills carefully to follow the instructions for the games that they took part in. Thank you to LPESSN for a wonderful Tuesday afternoon

Snowsfields

ECO Councillors

Last week Thursday 28th April, the Eco Committee and Science Leaders visited the Southwark Household Reuse and Recycle Centre.

We learnt that there are three types of recycling bins: food waste, compost and normal recycling bins.

I enjoyed going to Southwark Recycling Centre. We learnt how refuse are sorted and that not everything can be recycled. We learnt that recycling has a positive impact on the climate.

I enjoyed taking part in the quizzes and games. I also liked the staff at the recycling centre because they were very kind and helpful and they know a lot of facts. Nia

I enjoyed observing how refuse are recycled and the way the staff at the centre treated us. They were very kind!

Tomisin

I enjoyed playing with the mini set of recycling bins. We received a goodie bag with pencils, pens, rubbers and rulers and a notebook. Maya

I enjoyed playing with the recycling toys and I also liked all the things I received in the goodie bag. Preston

Snowsfields

On Thursday 5th May, we attended a Mosaic Workshop at London Bridge. We were divided into three groups. Each group had to complete an A3 size jigsaw puzzle of a famous Mosaic art piece.

We then had to use rhinestone to make our own mosaic art work. We evaluated to artwork by saying what we liked about and how it could be improved.

Year 3 enjoyed the art mosaic workshop at London Bridge Station.

We did good work!

I liked completing the Mosaic puzzle!

The Mosaic artwork was a masterpiece!

Snowsfields

On Tuesday Orange class, some members of the Snowsfields eco committee and school council, went to explore the beehives at Holland park. We visited the park gardens and learnt about different types of pollination. Then we were able to dress up in beekeeper outfits and visit the bees in their hives while they were making honey. At first we were a bit scared but then we realised the bees were busy doing their work and had no interest in us at all. We learnt so much about bees and how important they are to our planet. We also got a chance to play in an amazing adventure

playground!

Robert Browning

This term we are learning about growing and we have been busy planting this week. We planted carrots, beans and tomatoes and are learning how to look after them and what plants need to grow. We are also observing how beans grow and put bean seeds in a bag with water so that we can watch how the bean grows. We have been looking at different types of seeds and each had a turn to blow the dandelion seeds off the dandelions, learning about how the wind carries seeds to different areas.

LONELINESS ONLINE:

What Causes It and Ways to Feel Better

Have you ever been online and felt a little bit lonely?
In a recent study, 14% of 10–12-year-olds said they often felt lonely, so you're not the only one who sometimes feels that way. We spoke to a group of children and teenagers, who told us some of the things that make them feel isolated when they're online.

CAUSES OF LONELINESS ONLINE

-  Seeing photos or videos of friends having fun without me
-  Being excluded from group chats or games with friends
-  Friends or family not replying to texts or answering my calls
-  People being unkind to me online
-  When friends leave my group chat

WHAT CAN YOU DO?

So if these things happen to you and you start to feel down, what can you do? The same young people also told us how they make themselves feel less lonely when they're online – and we've collected some of their advice to share with you.

- ☒ Tell a friend or a trusted adult that you feel lonely
- ☒ Watch funny videos of cats and pandas
- ☒ Watch yoga videos and do some exercises
- ☒ Play single-player games you enjoy
- ☒ Listen to happy music
- ☒ Listen to your favourite audiobooks
- ☒ Send nice messages to your friends and family
- ☒ Play games with friends who you trust, if they're online too

FURTHER SUPPORT

Remember, it's normal to feel a bit lonely sometimes – but if it's really upsetting you, and you have no-one to talk to, you can call Childline for free on

0800 1111

TAKE A BREAK

Sometimes the best thing you can do is to take a break from technology and do something offline that makes you feel happy.

Here's what our group suggested!

- ☒ Paint or draw pictures
- ☒ Play with a pet
- ☒ Write about your feelings
- ☒ Hang out with your family
- ☒ Get outdoors & enjoy nature
