## Newsletter 15th July 2022 - Have a wonderful Summer!

Dear Parents,  
It feels like all change... we are looking forward to the children visiting their new classrooms next week and meeting the new class teams. We are also so sad to be saying goodbye to our fabulous year 6 classes and parents across the Federation.

### Heatwave Monday and Tuesday

On Monday and Tuesday the forecast is that temperatures will go above 34°C. Guidance is to stay in the shade, reduce physical activity and stay hydrated. Children under 4 years and those with health conditions are particularly vulnerable.

If you would like to, you can collect your children after lunch at 1.30pm on Monday and/or Tuesday. School will be open to children all day on both days so this is your choice. Children's attendance record will not be affected.

### Robert Browning, Snowsfields and Tower Bridge SCHOLARPACK APP

Do you have access to the scholarpack App? If not, please contact your school office for an access code. **From 1<sup>st</sup> April 2022 we will only be using the App to communicate with parents, we will no longer be sending texts. When you update your phone, you will need to contact the school office for a new access code.**

# Goodbye and Good Luck

## Farewell to Yvonne Parsons

Yvonne Parsons has worked in a number of roles during her incredible 38 years at Robert Browning. In more recent years, she has been our amazing SENCO. We would like to thank Yvonne Parsons for her dedication, wisdom and kindness. Her expertise will be sorely missed by all. We wish you a very happy retirement and look forward to hearing about your new adventures!

## Goodbye to Emma

Emma has worked at Snowsfields, Tower Bridge and Robert Browning Schools, most recently she has been Deputy Head at Robert Browning. She has supported so many children and teachers across the schools. Thank you and Good luck Emma!

## Bon Voyage, Dee!

Dee has been working with Purple class at Tower Bridge this term and has made such a huge impact supporting the class through SATs; many trips and their end of year performance. Dee will be travelling next year - bon voyage Dee!

## Goodbye to Hana

Hana joined Tower Bridge in the Autumn term as the class TA and is now moving on to train as a primary school teacher. Good luck Hana, the children you will be working with are lucky to have you!

## Goodbye Jess

We are sad to be saying goodbye to Jess who has been at the Federation at Snowsfields and now Tower Bridge since 2019. Thank you Jess, for all your hard work and good luck in your next role, further out of London.

## Goodbye Craig!

We have been lucky to work with Craig at Tower Bridge and Snowsfields for 3 years. As well as being the Year 5 teacher, Craig served as the Maths Lead and a Middle Leader at Snowsfields. We are so very sad to be saying Goodbye! You are sure to do well wherever you go and your new school is extremely lucky to have you as part of their Leadership Team! Best of wishes for a bright future Craig!

## Goodbye Lucy

Lucy has worked with us as a class teacher for 5 years at Snowsfields and then as the Inclusion Officer at Tower Bridge and Snowsfields for the last 3 years. Lucy, we are so sad to see you leave us, but happy that you have a new adventure ahead of you.

## Goodbye Dan

Dan has worked in EYFS and Rainbow class for the past year at Snowsfields, he has been so flexible and skillful at supporting the children. We are so excited that you are focusing on your directing career.

## Goodbye Lee

Lee has worked as a SEN TA supporting in Year 3 and Rainbow class at Snowsfields. We are so excited that he is moving back to Scotland to train as a Primary School teacher - you will be brilliant.

## Goodbye to Amy

Amy joined Tower Bridge in 2017 as a Nursery Nurse. Her kind, bubbly nature has always proved popular with children and adults alike. Good luck in your new role of being an amazing Mum!

## Good Luck to Sophie

Sophie has taught in Year 2 at Robert Browning for the last two years. She has been brilliant - especially during our successful Ofsted! She is relocating to be closer to her family.

## Tower Bridge Primary School

Well done Year 6 for your amazing performance of "Encanto" last week. You have shown amazing resilience over the last few years and your SATs results have made us so proud. Best of luck in all your new adventures!

CLASS PARTIES  
19TH JULY  
(WEAR YOUR OWN CLOTHES)

## Summer Fair

Thank you so much for all your support on Tuesday when we held our Fair. It was so nice to welcome Katie and Lisa's families to officially open "The Chill Zone" in memory of them. We had such an amazing array of stalls, and it was so nice to see so many of you there.

We were able to raise £700 for the school!

EYFS- Not just a plastic bottle.

Year 1- Properties of plastics. Sorting plastics and recycling.

Year 2- Learning about the 6 R's. How can we reuse plastic?

Year 3- Impact of plastic pollution on the planet. How does this change our environment?

Year 4- Researching hidden plastics in everyday objects. How can we reduce this?

Year 5- Looking at the River Thames and focusing on the plastic waste. How can we change this?

Year 6- Life cycle of plastic. Focus on biodegradable plastics.

# SINGLE USE PLASTIC

This half term we have all been learning about plastic and the impact single use plastic has on our environment.

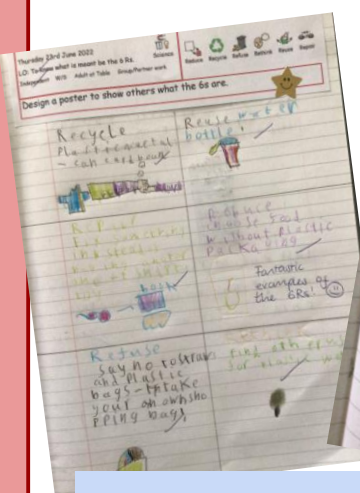

## Single Use Plastics

*This term every class has been learning about single use plastics as part of our Science Curriculum. Here is a snapshot of some of our learning:*

We have been learning about which products can be recycled and which can't - we were very surprised that items such as glittery birthday cards and a lot of plastic packaging for food cannot be recycled.

We have been learning about the harm single use plastics cause to our planet. We explored the local community to spot single use plastics and recorded the data we collected on bar charts

We had a recycling centre open in the classroom where we had to sort through all the different materials. We then went on a walk to East St Market where we found different plastic items littered on the floor.

We have been looking at products that contain plastic, including hidden plastics. We will be investigating how plastic affects the environment by looking at 'Trash Island' and linking this to plastic waste in the River Thames.

We looked at the legacy of plastic and how long everyday items take to decompose. We learnt how plastic can be produced from crude oil and we sequenced the life cycle of a plastic bottle, thinking about how this would change if the bottle was recycled or thrown away in a normal bin. Then, we held a debate thinking about the viewpoints of consumers, shop owners and environmentalists.

## Summer Fair

A huge thank you to everyone who came along and supported our Summer fair this week! It was lovely having families back in school!

**Goodbye to our fantastic Year 6 Class- we are so proud of the hard work you have put in this year and the resilience you have shown us. Your results in the recent tests were brilliant! Thank you for your fabulous leavers performance of 'Robin Hood'!**

## Class Parties

Next week there are class parties taking place (on Tuesday). Please check with class teachers if they would like any party food donations!. Thank you!

# Snowsfields Primary School

## Purple class presents - Charlie and the Chocolate Factory

Purple class put on an incredible show for the whole school and their parents across three performances. We are so proud of you all and wish you every success as you transition to your new schools and start your next chapter.

**Summer Fair –** This was a great success on Tuesday after school, children, parents and staff all had huge smiles!

## Eco Project - Single Use Plastic - Whole School Project

**Orange class** made lava lamps out of recycled bottles. They went on a local walk to identify the nearest recycling bins and made a messy map of where more recycling facilities should be added.

**Yellow class** studied photographs of straws, carrier bags and plastic bottles in the ocean and they discussed the negative impact on ocean wildlife, they created a storyboard of the impact.

**Green class** learnt about how plastics are made and where they end up if they are not recycled. They went for a hunt in the playground and garden and they were shocked to find countless amounts of micro-plastics and single use plastics everywhere. They recorded their findings, they placed the plastic in the recycling bins and talked about how plastic pollution contributes to global warming and effects all living things.

**Purple class** found plastics in school and sorted them into to groups based on their properties. They discussed why plastics are used for certain jobs and why they are not suitable for others.

**Photography Club – a fabulous 10 weeks** Parents and Staff came to a see the pictures that were being showcased. Each week the children were given a different topic and had to take a picture in that style.

**IMHARS Award!**  
Well done Katie!

## Class Parties - Tuesday 19th July (am)

Please speak to your child's class teacher regarding food and drink donations - and please remember no nuts. Children are welcome to wear their own clothes on Tuesday, the weather will be extremely hot so please ensure the clothes worn are suitable for the hot weather and shoulders are covered. Thank you.

After receiving our Gold Healthy Schools Award in 2018, this year Snowsfields has been awarded an ENHANCED certificate in improving mental health and resilience. Our PSHE+R lead Katie attended the ceremony at Millwall Football stadium to receive this award.

# Friars Primary School

Thank you to all the children and parents who attended our Summer Fair. Everyone had a great time and we raised lots of money for the school.

Recorder club have been practising for their end of term concert.

Congratulations to the three lucky winners for finding the treasure.

Year Six had a great time at their leavers party. Thank you so much to all the parents who helped to organise it.

## AUTISM PUBERTY, SEXUAL WELLBEING AND RELATIONSHIPS

For parents of a child on the autistic spectrum, coping with the onset of puberty and their child's emerging sexuality can be challenging. Knowing what to teach, how/when to teach it and what to expect can be daunting.

These three sessions have a different delivery style to the Cygnet core programme. Because of the nature of the subject matter it was felt that a far more activity-based approach would put parents at ease more quickly and therefore enhance learning and mutual support.

- It is available to parents with children over the age of 9
- It is being run as a whole day session or three separate sessions
- It is run face to face at 160 Tooley St, London, SE1 2TZ

### Whole day session

Monday 15th August 2022 – 9.30-4.30pm

Or

### Three separate sessions (attendance at all sessions required)

Puberty - 2<sup>nd</sup> August 2022 – 3.30pm-5.30pm

Sexual wellbeing - 9<sup>th</sup> August 2022 – 3.30pm-5.30pm

Relationships - 16<sup>th</sup> August 2022 – 3.30pm-5.30pm

Are you a parent who finds it tough to manage strong emotions? Are you worried about your child's behaviour?

Would you be interested in participating in research on a new parenting group?

We are looking for parents of children, **aged 2-11**, who are worried about their child's behaviour to take part in research on a **new parenting group**. Being a Parent- Enjoying Family Life is for parents who may be experiencing **strong emotions** which spillover into their parenting, who may **struggle to trust** in relationships/friendships or may have experienced challenging childhoods or invalidating relationships with their own parents.

We want to test whether BaP-EFL helps parents better than the original EPEC-BaP groups. BaP-EFL and EPEC-BaP are both ran by parents, for parents.

If you are interested and eligible for the study, you will receive either BaP-EFL or original EPEC-BaP **parenting groups**. The groups last between **9-10 weeks** for **2 hours** and cover topics such as **managing stress, positive parenting strategies and communication skills**. A creche will be provided if needed.

Parents will also be asked to complete online questionnaires and an at home interview before, after and 6 months after attending the group. You will receive **up to £85** for your participation in these questions

Welcome to the final newsletter of the school year from Southwark's Autism Support Team (AST).

As is usual at this point in the year, our attention in the team shifts towards transition planning for children moving from nursery to reception as well as all children moving up into a new academic year. Much of our advice to schools at the present time highlights this and encourages that transition planning begins now.

We encourage this to be a collaborative conversation between all those supporting the child.

As well as transition planning, we are also mindful of the long holiday period, which can be a daunting time for many families.

In this newsletter we have tried to compile some information of what is available locally to access over the holidays.

### Transition Supports

A visual calendar can be used to support children knowing when they will be in school, [here](#) is a guide for parents. [Here](#) is an editable calendar for July and August, [here](#) is one for September. [Here](#) are instructions and symbols for the calendar.

A one page profile is a simple summary of what is important to a child and how best to support them, it allows information to be shared quickly.

How to write a one page profile guide is [here](#) with examples [here](#), [here](#) and [here](#). Twinkl also have guides and proformas. A parent information gathering sheet is [here](#).

### Transitions

Transition activities to try at home:

- Practice your journey to school (make a map, take pictures along the way).
- Look at pictures/school website to familiarise the child with the new school setting.
- Meet up with/video chat with friends from school.
- Make a list of things they are looking forward to at school.
- Write a letter/draw a picture to share with your teacher.
- Take some photos of your child with favourite things to show the teacher.
- Practice putting on school uniform.

Summer Reading Challenge 2022

**GADGETEERS**

Presented by the Reading Agency.  
Delivered in partnership with libraries.

Visit your local library this summer to complete the Summer Reading Challenge

You need to read 6 books to complete the challenge. You can register at any library from Saturday 9<sup>th</sup> July and have until Sunday 11<sup>th</sup> September to finish.

For each book you read you will collect stickers, prizes and receive a medal and a certificate for completing the challenge.

If you read more than 6 books you will be entered into a special prize draw to win an Android tablet!

This year the theme is Gadgeteers, meet the characters who are learning that science is all around them. Whether you like baking, music or helping the environment you can use your imagination to make something new.

Find out more on the website

<https://summerreadingchallenge.org.uk/>

Events are taking place in all Southwark libraries throughout the summer. You can see all the listings on the Southwark Presents What's on diary or ask at your local library.

# 12 Ways to Champion EQUALITY ONLINE

In terms of the esteem it's held in, women's football has made impressive progress in a short space of time. That's a bit like the online world: it's come a long way, but that doesn't mean we should stop trying to make it even better. The Women's European Football Championships are underway, and that's a timely reminder of how important it is to give everyone the respect they deserve online – regardless of gender, race, sexual orientation, religion or anything else. In partnership with the Global Equality Commission, we've produced a special guide to help young fans kick online discrimination into touch!

## 1 KNOW IT WHEN YOU SEE IT

Expressing views based on prejudice about a part of someone's identity – their race, gender or a disability, say – counts as online hate.

## 2 WHEN "BANTER" ISN'T FUNNY

Discrimination is sometimes disguised as humour: some memes, clips or gifs that certain people try to pass off as "funny" might actually be offensive.

## 3 BE YOUR OWN PERSON

Set a good example through your own online communication. Think whether you'd say a thing in real life before posting or sharing it online for the world to see.

## 4 SEEING SHOULDN'T EQUAL BELIEVING

Sneakier, less obvious types of online abuse can stay on the internet for longer, so don't assume that something's OK just because it's not been taken down yet.

## 5 SEXISM CAN BE ILLEGAL

As well as being extremely hurtful to a person or a group, online sexism and prejudice against women (known as misogyny) can be recorded as a hate crime in some cases.

## 6 ONLINE HATE, USED AS BAIT

Sadly, it's not just that being exposed to prejudice online is upsetting – some extreme organisations even try to recruit young people to their cause.

## 7 GET SOME DISTANCE

If you see messages online that upset you, it's probably time to give yourself some space from that site or app. Talk to a trusted adult about how you're feeling.

## 8 TURN OFF THE WATERS

If someone you follow on social media is posting sexist content, you could always mute them or block them – or unfollow them altogether.

## 9 PLAY IT BY THE BOOK

If you see someone discriminating online, you don't have to challenge them yourself. Screenshot their post and report them to the app or site you saw it on.

## 10 EXPLOITING 'PACK MENTALITY'

Sexist messages aren't always sent to a target directly: sometimes, they're posts designed to provoke misogyny among other people.

## 11 POSITIVITY ALWAYS WINS

Go the extra mile and spread some positive vibes! Instead of just reacting to a post and scrolling past, you could add a message of support and encouragement, too.

## 12 CREATE THE WORLD YOU WANT

Remember, you're the boss of your online world. Engage with posts or accounts that celebrate equality and understanding; block or unfollow the ones that don't.
