SWIMMING DATA

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	31% 9/29	Children did not have swim lessons in Year 3 due to covid restrictions.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	21% 6/29	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	41% 12/29	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	We have been unable to afford this for the Year 6 pupils as top-up.
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No	We haven't provided training but staff are both confident supporting the non swimmers with water confidence. The swimming manager knows our staff are happy to support under the direction of their teachers. They sent the curriculum through for our teachers to see.
