Newsletter 11th July 2025

Dear Parents and Carers,

Thank you so much for attending our Summer Fairs this week - it was so nice to see so many of you supporting all three schools. We hope you all had a fabulous time.

Please check the 'dates for your diary' box for events for parents of children in Sunshine class and Purple class next week.

Please scroll down to the Family Fun notice boards, where you can find information about holiday clubs over the summer holidays for the children and families.

Take a look at the [National Literacy Trust | Words for Life](https://www.nationalliteracytrust.org.uk/words-for-life) website, which has a wide range of learn and play resources for you to enjoy with your children from 0 months to 12 years.

Have a lovely weekend, please ensure your child is ready for the hot weather with:

- a sunhat
- wearing sunscreen
- and a water bottle

Please support your child to arrive at school ontime, gates open at 8:45am, children are marked as late after 9am.

summer FAIR

[value of the week]
TOWERBRIDGE

A huge **BIG THANK YOU** to all the parents and pupils who came to the Summer Fair on Wednesday. We raised over £1000! Thank you to Melissa and Rosa for organising another fantastic event; the choir for singing and Kate for preparing them so well. Thank you to all the Year 6 pupils who helped on stalls; Ella's parents for donating the bouncy castle; Tony, for yet again letting the children get him soaked! And to all the other staff who supported the smooth running of the event, including the office and support staff.

This week Year 6 have been rehearsing their end of year show and helped out at the Summer Fair. They have also managed to fit in even more learning and made burritos as part of their Design and Technology learning. Many thanks to all the parents for providing ingredients, particularly those who bought in extra, "just in case". Last week Purple Class were giving real "end of Year 6 energy" as they went to the Olympic Park playground to enjoy the water and activities.

Congratulations!

Last week we attended the PESSN awards for achievements in sport and PE. We were nominated in many categories:

Sports Leader: Sofian Y5, Teacher: Tom and Natalie, SEND Provision Sarah Manley won a special recognition award, as you might have seen on last week's newsletter.

We are really proud of our PE provision at Robert Browning- Thank you to everyone who works so hard on this!

Sports Day

Last Friday we went to Burgess Park for our annual Sports Day. The children had a brilliant day. Thank you to Kylie for organising the event and to all the staff who worked hard to support the children.

EYFS Trip

Sunshine Class went to Archbishops Park for their trip. They loved it!

Summer Fair

Thank you to everyone who came along to our Summer Fair on Wednesday and helped make it such a success. We raised £286.25.

Snowsfields Primary School

EYFS SPORTS DAY

Sunshine Class had a wonderful time celebrating Sports Day!

A big thank you to all the parents who came along to cheer the children on!

This week, we celebrated Neurodiversity Day and wore our class colours. In assembly, we shared the significant person we learnt about in class.

A huge thank you to all the families who came along to our Summer Fair and for the generous donations. It was lovely to see so many of you enjoying the games, delicious food, face painting, and, of course, the ever popular tombola! We're thrilled to share that we raised an amazing £1,014! Thank you for your incredible support!

A big well done to Melissa and Oliver for all their hard work organising the day, and thanks to all the staff who helped make it such a success.

A special shout out to Naila's mum for her fantastic donation of toiletries for the tombola, it was a big hit!

ATTENDANCE UPDATE

Being in school and having the best attendance possible underpins all the many benefits of school for your child, such as their learning, wellbeing and wider development. We want to work with you to ensure that attendance for pupils at the Bridges Federation is the best it can be.

As a parent, you are legally responsible for making sure your child gets a suitable full time education. This means making sure your child is in school every day except when

- Your child is too ill to go to school.
- You have permission for a leave of absence from your child's school for them not to attend. You should only ask for this in exceptional circumstances. Generally, a holiday will not be classed as an exceptional circumstance.
- Your religious body has a day especially for religious observance.

If my child needs to be absent from school, what do I need to do?

You should contact us as early as possible (no later than 10am) on the first day of absence to explain why. If you do not, we will contact you to find out where they are.

My child is ill. What should I do?

If your child is ill, read the NHS's 'Is my child too ill for school?' advice to help you decide whether they can go to school. Contact us as soon as possible to let us know that they will be absent.

Do I need to provide medical evidence to support my child's illness related absence?

We may ask for medical evidence when your child is absent due to illness. This may be in cases where:

- Your child is regularly absent due to illness, to assess how we can help by putting support in place.
- We have reason to believe your child was not too ill to attend and a conversation has not resolved the issue.

If you are asked to provide evidence this does not need to be a letter from your doctor or consultant, and doctors will not usually provide such letters. It can, instead, be appointment cards, prescriptions, or notes of previous consultations (including from the NHS App.)

To avoid disruption to your child's attendance, medical and dental appointments should not be booked during the school day whenever reasonably possible.

My child is struggling to attend school. What can I do?

The first step is to talk to us about why your child is missing school, and what help we can give. You should still do everything you can to help your child attend as much as possible whilst waiting for help and support to be put into place. Information on who you can contact for help, including the school's senior leader responsible for attendance, can be found in our attendance policy on the website. We follow the expectations laid out in the DfE guidance 'Working together to improve school attendance.'

Free Workshops for Parents and Carers

Do you want more guidance on how to talk to your children, teens and young people about vaping, alcohol or drugs? Do you want to be informed on the current themes and trends we come across working with young people in the borough?

Substances are more accessible today than ever before. For parents, carers or anyone responsible for children and young people, it can feel overwhelming and difficult to know how to respond.

We're offering FREE online workshops for parents and carers in Southwark, to give advice and guidance to help you navigate this quickly changing landscape.

Workshops:
• Current trends amongst young people
• Strategies for talking to young people about substances in an open and supportive way
• Practical advice on how to keep your children safe from the dangers of substance misuse

For further information contact:
• Email: Southwark.YoungPeople@cg.gov.uk or scan the QR code for a direct link to the event booking page.

SOUTHWARK SCHOOLS' INDOOR AIR QUALITY

Southwark Council is already undertaking several projects to tackle air pollution in schools, and you can get involved!

Asthma - Air Quality Monitoring & Engagement Project for students in Year 6 and above

This project will see air quality sensors placed in classrooms and the homes of pupils with asthma, offering a live insight into the air quality they experience.

Teachers and students will participate in a specially designed curriculum to deepen their understanding of air quality's effects on health and discover strategies to **minimise** harmful emissions.

This initiative builds on existing air quality efforts and provides tools such as a dedicated webpage and monitoring devices to assist schools in fostering a cleaner, healthier educational atmosphere.

School staff and parents can register interest by filling out the form on this QR code or by emailing: <https://forms.office.com/e/QUwm8JA2E6>

We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0, iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

Free Home Fire Safety Visits

A fire can start in any room and the effects can be devastating, even a small fire in your home can lead to substantial damage and expensive repairs. The LFB want to stop fires from happening and that is why we offer free home fire safety visits to help keep you and your loved ones safe.

What happens during a home fire safety visit?

Our firefighters or trained staff will visit you at home, at a time that suits you and carry out a risk assessment. They will give you advice based on your home and individual needs, this includes; information on how to **prevent** fires, the importance of smoke alarms to **detect** a fire and your **escape** plan in the event of a fire.

A visit can take up to 90 minutes or longer if needed and we will fit free smoke alarms if required.

Specialist alarms can be fitted for people who may have a delayed response to escape for example; strobe light and vibrating pad alarms for those who are deaf or hard of hearing.

How to book a Home Fire Safety Visit:

Freephone: 0800 028 4428

Email: smokealarms@london-fire.gov.uk

Text /SMS: 07860 021 319

Worried about a relative, friend or neighbour? Although everyone is eligible for a free home fire safety visit, some people with health problems or lifestyle behaviours can have an increased chance of a fire happening. To help you we have listed some of these examples below:

Increased risk factors can include:

Anyone that smokes; overloaded electrical sockets or poor wiring; unsafe use of candles or naked flames; previous fires or near misses; cooking left unattended; hoarding of any kind or someone who lives alone.

They are less able to react because of:

Mental health conditions such as dementia or learning difficulties; no smoke alarms are fitted or they don't work; alcohol dependency or drug misuse (prescribed or recreational); physical health issues including sensory impairments eg: hearing or sight.

They have a reduced ability to escape:

Mobility issues due to a physical disability; age-related problems or as a result of a long-term illness; escape routes are not kept clear or are blocked due to actions such as hoarding or conditions that affect decision making.

If you know anyone who has **any combination of these risk factors**, give them our details to arrange a free home fire safety visit or simply ask them if they would like you to book a visit for them.

Remember -This is not an exhaustive list, if you are unsure please contact us for extra advice.

What Parents & Educators Need to Know about YOUTUBE KIDS

AGE RESTRICTION
4+

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading 'scientific' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'Preschool' or 'Younger'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'Recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.
