Newsletter 10th October 2025

Dear Parents and Carers,

Our theme for International Week: Monday 20th to Friday 24th October is Voices of the World: Power and Pride. Parents please can you start to think about the costumes/outfits that your child will be wearing on the day of their International Week performance.

Please find our updated policies in this link including our Home School Agreement: [Policies & GDPR - The Bridges Federation](#). The Home School Agreement includes information on reducing screen time. A study in Canada found high levels of screen time was a stronger factor behind behavioural and attention issues than any other factor. Children should not have access to screen time during meals or at least one hour before bedtime. Sharing books and playing with your children are excellent alternatives to screen time.

Please check that the Arbor App is working on your phone, we are now taking payments on Arbor. Please go to the school shop on the App. You can make the £5 contribution towards outings for your child for the year. We may occasionally ask for a further contribution to one outing a year.

Pupil Review Meetings: Bookings open on the Arbor App on Monday 13/10/2025 at 9am for the parent teacher meetings which take place on 12/11/2025.

Breakfast club: From 3rd November breakfast club will now cost £2 per child and we will no longer be offering a discount for siblings.

Have a lovely weekend. Gates open at 8:45am on Monday.

Parents of Children in Year 6

If your child is in Year 6, you will need to plan your visits to potential secondary schools. We shared information about this last term. Please speak to a member of the leadership team if you need further support. The e-Admissions deadline is 31/10/25 so there is plenty of time to visit schools and complete your 6 choices.

Please click on the link: [eAdmissions](#)

Dates For Your Diary

CURRICULUM

CAFES

This week Year 6 visited the Imperial War museum to further extend their knowledge about World War 2. They saw airplanes, uniforms and also were able to decipher secret codes on a computerised Enigma machine. The museum allowed them to experience what it was like to live through the war.

As part of International Week (week beginning 20th October), each class are inviting parents to join in with some learning related to the theme of 'The beauty and strength of global voices'. Each session will start at 9am and last for around 30 minutes. Look below to see which day your child's class are running their cafes.

Thursday 16th October - Yellow Class
Monday 20th October - Orange Class
Tuesday 21st October - Blue Class
Wednesday 22nd October- Red Class
Wednesday 22nd October- Purple Class
Thursday 23rd October - Green Class
Friday 24th October - Sunshine Class

respect for all

[value of the week]
TOWER BRIDGE

**Stronger TESCO
Starts** Every little helps

Don't forget to vote for Tower Bridge Primary School every time you shop in store at Tesco so we can win the largest grant award in 2026 for the children.

Orange Class visited Tower Bridge this week as part of their learning about London. They took part in activities including an animation workshop.

Dance Showcase to Parents

This week, Year 1, Year 3 and Year 5 pupils delighted their parents with a fantastic dance showcase in school. The children have been working with our dance teacher Chantal to learn new moves, build confidence, and express themselves through dance. Their energy, enthusiasm and teamwork were a joy to see. Well done to all the pupils, and thank you to our dance teacher for helping them shine!

International Week

This year our International week focus is 'Voices of the World: Power and Pride'. We will be holding a performance in the playground at **2:45pm on Thursday 23rd October.**

Please come and support your children.

On this day, children can come to school dressed in traditional clothes. If you do not have traditional clothes to wear, please come in your school uniform.

Autumn Fundraising Event

This will be on 22nd October at 3.30pm. There will be lots of yummy cakes, warm food and other autumnal treats! Donations of food needed and volunteers to help with setting up and selling items that will be on sale. All proceeds raised will go to cooking club with Shanaz on a Wednesday.

Year 4 Bikeability Training

Year 4 pupils took part in **Bikeability training** this week over two days. The children learned important cycling skills, including how to stay safe on the road, signal clearly, and ride with confidence. They showed great enthusiasm, perseverance, and respect throughout the sessions. Well done to everyone who took part — we are proud of how sensibly you represented our school!

Snowsfields Primary School

As part of their topic on London, Year 2 created these wonderful artworks showcasing some of the city's most famous landmarks.

We are really proud of the Snowsfields Football Team, who reached the semi-finals of the GMH Football Tournament and finished 3rd out of 15 teams! The children showed great teamwork, determination, and sportsmanship throughout.

Well done, everyone!

In History, Year 1 have been learning about how things change over time. They compared and contrasted toys and household items from the past with those used today, discovering just how different life was for their grandparents.

Year 6 had a wonderful trip to the Imperial War Museum as part of their World War II topic. The children were excited to see real artefacts and hear personal stories that helped them understand what life was like during the war.

This week in Science, Green Class explored animals without spines! They learned about creatures with exoskeletons and those with none at all, then headed into the garden to investigate. The children were excited to find squirrels, birds, bees, ants, worms, beetles, and slugs.

Year 4 visited the London Mithraeum, where they saw a real Roman temple hidden beneath the city! The children were amazed to step back in time and learn more about life in Roman London.

ATTENDANCE UPDATE

Being in school and having the best attendance possible underpins all the many benefits of school for your child, such as their learning, wellbeing and wider development. We want to work with you to ensure that attendance for pupils at the Bridges Federation is the best it can be.

As a parent, you are legally responsible for making sure your child gets a suitable full time education. This means making sure your child is in school every day except when

- Your child is too ill to go to school.
- You have permission for a leave of absence from your child's school for them not to attend. You should only ask for this in exceptional circumstances. Generally, a holiday will not be classed as an exceptional circumstance.
- Your religious body has a day especially for religious observance.

If my child needs to be absent from school, what do I need to do?

You should contact us as early as possible (no later than 10am) on the first day of absence to explain why. If you do not, we will contact you to find out where they are.

My child is ill. What should I do?

If your child is ill, read the NHS's 'Is my child too ill for school?' advice to help you decide whether they can go to school. Contact us as soon as possible to let us know that they will be absent.

Do I need to provide medical evidence to support my child's illness related absence?

We may ask for medical evidence when your child is absent due to illness. This may be in cases where:

- Your child is regularly absent due to illness, to assess how we can help by putting support in place.
- We have reason to believe your child was not too ill to attend and a conversation has not resolved the issue.

If you are asked to provide evidence this does not need to be a letter from your doctor or consultant, and doctors will not usually provide such letters. It can, instead, be appointment cards, prescriptions, or notes of previous consultations (including from the NHS App.)

To avoid disruption to your child's attendance, medical and dental appointments should not be booked during the school day whenever reasonably possible.

My child is struggling to attend school. What can I do?

The first step is to talk to us about why your child is missing school, and what help we can give. You should still do everything you can to help your child attend as much as possible whilst waiting for help and support to be put into place. Information on who you can contact for help, including the school's senior leader responsible for attendance, can be found in our attendance policy on the website. We follow the expectations laid out in the DfE guidance 'Working together to improve school attendance.'

THIS FIRE TOOK HOLD IN UNDER 5 SECONDS

#ChargeSafe

E-bikes and e-scooters are
London's fastest growing
FIRE RISK

There was an e-bike or e-scooter fire
in London in 2023 every two days

LFB

FS159A Version 1: June 2024

#ChargeSafe

- Buy your e-bike or e-scooter from a reputable seller.
- Never block your escape routes with an e-bike or e-scooter.
- Only use the correct charger for your battery, otherwise you can greatly increase the risk of fire.
- Never charge your e-bike or e-scooter unattended or whilst your sleeping.
- Don't modify or tamper with the batteries.
- Get a professional to carry out an e-bike conversion.
- Fit working smoke alarms where you're storing or charging your e-bike or e-scooter.
- Never try and tackle a fire yourself. Get away safely and call 999.

For advice on how to keep yourself and those around you safe,
scan the QR code or visit london-fire.gov.uk/chargesafe

Free Workshops for Parents and Carers

Do you want more guidance on how to talk to your children, teens and young people about vaping, alcohol or drugs? Do you want to be informed on the current themes and trends we come across working with young people in the borough?

Substances are more accessible today than ever before. For parents, carers or anyone responsible for children and young people, it can feel overwhelming and difficult to know how to respond.

We're offering FREE online workshops for parents and carers in Southwark, to give advice and guidance to help you navigate this quickly changing landscape.

What's covered:

- Current trends amongst young people
- Strategies for talking to young people about substances in an open and supportive way
- Practical advice on how to keep your children safe from the dangers of substance misuse

For further information contact:
• Email: Southwark.YoungPeople@tqi.org.uk or scan the QR code for a direct link to the eventbrite page.
• You can call us on: 020 3404 7699

Price & Buckland

NEW SCHOOL UNIFORM WEBSITE LAUNCH

On the 11th of February we will launch our NEW website. The URL remains: www.price-buckland.co.uk

Website QR code. This will take you to the homepage to search for your school.

If you have ordered from our website before, go to the **Account Section** and **re-set** your password. You can use the same password that you have currently.

You can then see previous orders and manage your account.

Any Questions? Call us on 01885 840629

SOUTHWARK SCHOOLS' INDOOR AIR QUALITY

Southwark Council is already undertaking several projects to tackle air pollution in schools, and you can get involved!

Asthma - Air Quality Monitoring & Engagement Project for students in Year 6 and above

This project will see air quality sensors placed in classrooms and the homes of pupils with asthma, offering a live insight into the air quality they experience.

Teachers and students will participate in a specially designed curriculum to deepen their understanding of air quality's effects on health and discover strategies to **minimise** harmful emissions.

This initiative builds on existing air quality efforts and provides tools such as a dedicated webpage and monitoring devices to assist schools in fostering a cleaner, healthier educational atmosphere.

School staff and parents can register interest by filling out the form on this QR code or by emailing: https://forms.office.com/e/QUwWm8JA2E6
environmental.protection@southwark.gov.uk
anna.czerniak@southwark.gov.uk

Climate School Action Plan

Check out the Climate School Action Plan Guide which includes actions to improve air quality.

Free Home Fire Safety Visits

A fire can start in any room and the effects can be devastating, even a small fire in your home can lead to substantial damage and expensive repairs. The LFB want to stop fires from happening and that is why we offer free home fire safety visits to help keep you and your loved ones safe.

What happens during a home fire safety visit ?

Our firefighters or trained staff will visit you at home, at a time that suits you and carry out a risk assessment. They will give you advice based on your home and individual needs, this includes; information on how to **prevent** fires, the importance of smoke alarms to **detect** a fire and your **escape** plan in the event of a fire.

A visit can take up to 90 minutes or longer if needed and we will fit free smoke alarms if required.

Specialist alarms can be fitted for people who may have a delayed response to escape for example; strobe light and vibrating pad alarms for those who are deaf or hard of hearing.

How to book a Home Fire Safety Visit:

Freephone: 0800 028 4428

Email: smokealarms@london-fire.gov.uk

Text /SMS: 07860 021 319

<https://www.london-fire.gov.uk/safety/the-home/home-fire-safety/>

Worried about a relative, friend or neighbour ? Although everyone is eligible for a free home fire safety visit, some people with health problems or lifestyle behaviours can have an increased chance of a fire happening. To help you we have listed some of these examples below:

Increased risk factors can include:

Anyone that smokes; overloaded electrical sockets or poor wiring; unsafe use of candles or naked flames; previous fires or near misses; cooking left unattended; hoarding of any kind or someone who lives alone.

They are less able to react because of:

Mental health conditions such as dementia or learning difficulties; no smoke alarms are fitted or they don't work; alcohol dependency or drug misuse (prescribed or recreational); physical health issues including sensory impairments eg: hearing or sight.

They have a reduced ability to escape:

Mobility issues due to a physical disability; age-related problems or as a result of a long-term illness; escape routes are not kept clear or are blocked due to actions such as hoarding or conditions that affect decision making.

If you know anyone who has **any combination of these risk factors**, give them our details to arrange a free home fire safety visit or simply ask them if they would like you to book a visit for them.

Remember -This is not an exhaustive list, if you are unsure please contact us for extra advice.

What Parents & Educators Need to Know about YOUTUBE KIDS

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading 'scientific' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'Preschool' or 'Younger'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'Recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.
